Product price:

€6.50 tax included

Product codes:

Reference: Art. 1295
EAN13: 0658606562721
UPC: 658606562721

Product features:

Product short description:

A Positive (A+) is a common blood type for anyone wanting clearer insight into blood compatibility and personal health. Suitable for people who want to record their medical profile or better understand general health tendencies.

- **Type:** A Positive (A+).
- **Compatibility:** Often described as compatible and adaptable within general blood-type classifications.
- **Health notes:** Some link A+ to dietary tendencies and a balanced lifestyle; evidence varies.
- **Traits:** Often described as reliable, organized and cooperative; cultural, not clinical, associations.
