Product price:

€6.50 tax included

Product codes:

Reference: Art. 1297
EAN13: 0658606562745
UPC: 658606562745

Product features:

Product short description:

AB Positive blood group — a rare and versatile blood type valued for its compatibility and symbolic appeal. Suitable for collectors, educational displays, or anyone seeking a personal symbol of uniqueness and steady adaptability.

- **Type:** AB Positive (AB+), one of the less common blood groups.
- **Rarity:** Relatively uncommon in the general population, making it distinctive.
- **Compatibility:** Shows compatibility with other positive blood types, a relevant factor in transfusion contexts.
- **Traits:** Often described as adaptable; such descriptions are general and not medical claims.
- **Use:** Ideal for medical awareness, personal identification, collector items, or themed displays.
