Product overview

The **Bonnie Hat Verde Oliva** is a rugged outdoor and military-style hat designed for field use, hunting, camping and tactical duties. It is aimed at outdoor enthusiasts, military personnel, police and anyone needing a durable, functional sun and rain hat.

Definition: the **Bonnie Hat Verde Oliva** is a rip-stop cotton boonie-style hat with a brim, ventilation eyelets and a camouflage loop band for natural concealment.

Main features

Built for durability and comfort, this hat balances protection and ventilation for long days outdoors.

- **Material:** 100% rip-stop cotton for tear resistance and long service life.
- **Reinforced brim:** Stiff brim provides sun and light rain protection and keeps the face shaded.
- **Camouflage band with loops:** Elastic band with pass-through loops to add foliage for field concealment.
- **Adjustable chin strap:** Secure fit that stays in place during movement and windy conditions.
- **Ventilation eyelets:** Mesh side vents improve airflow to reduce heat and sweat.

How to use / When it’s useful

Quick answer: use the **Bonnie Hat Verde Oliva** for patrols, hunting, trekking, fishing, camping and general outdoor work where sun protection and low-profile concealment matter.

In most cases, the hat works well as a tactical or military surplus-style accessory for duty, police training or survival activities. Fit the chin strap for secure wear, and add natural foliage to the band when you need extra camouflage.

Care and notes

Simple care keeps the hat functional and looking good; follow these precautions to avoid damage.

- Hand wash in lukewarm water with mild soap; avoid bleach and harsh detergents.
- Do not tumble dry; air dry in the shade to preserve fabric and shape.
- Not fully waterproof: the reinforced brim sheds light rain but the hat is not claimed as waterproof.
- Available by pre-order in sizes S, M, L, XL; the adjustable chin strap helps fit different head circumferences.

FAQ

Q: What material is the hat made of?

A: The **Bonnie Hat Verde Oliva** is made from 100% rip-stop cotton, chosen for tear resistance and durability in outdoor conditions.

Q: Is the hat available in different sizes?

A: Yes. It is offered by pre-order in sizes S, M, L and XL. The adjustable chin strap helps fine-tune the fit.

Q: Can I use this hat for tactical or police duty?

A: The design suits many tactical and military surplus uses, including field training and low-profile duty work, thanks to its camouflage band and durable fabric.

Q: How should I clean the hat?

A: Hand wash with lukewarm water and mild soap. Avoid bleach and do not use a tumble dryer; air dry to maintain shape and fabric strength.

Q: Is the hat suitable for hot climates?

A: Yes. Mesh ventilation eyelets provide airflow to help keep the head cooler during hot weather and strenuous activity.

Q: Is the hat waterproof?

A: No. The reinforced brim offers some protection from light rain, but the hat is not fully waterproof or water-repellent.

Tip: Choose the size that best matches your head circumference and use the adjustable chin strap for a secure fit. Browse related tactical, military surplus and outdoor headwear to complete your kit without rushing your decision.
