How to use / When it’s useful

Quick answer: Pin or clip the ribbon to uniforms, jackets, or display boards using the rear attachment. It is intended as a commemorative accessory rather than a service-issued insignia.

In most cases, wear it on the left chest or lapel where other ribbons or commemorative items are displayed. It also works well in collector displays or with police, military surplus, and tactical collections.

Care and notes

Handle the ribbon gently to preserve the enameled detail and shape; store flat or on a display board when not worn.

- Keep away from sharp bends to avoid creasing the ribbon.
- Avoid prolonged exposure to moisture and direct sunlight to protect color and enamel.
- Only available in crimson, the traditional Bersaglieri color.
- Limited stock: consider ordering more than one if you need spares for uniform and display.
