**Product short description:**

The Tubolari Impermeabile Aspirante Guardiamarina Commissariato Marittimo are waterproof tubular gaiters designed for maritime personnel and others who work in wet environments. They provide a reliable barrier against water while keeping the wearer comfortable and protected.

- **Material:** High-quality, water-resistant fabrics that help repel moisture.
- **Use:** Suited for maritime duties, dock work and wet-weather operations.
- **Fit:** Easy to put on and adjust for a secure, comfortable fit.
- **Design:** Durable and functional with a professional appearance.
- **Performance:** Provides dependable protection and long-lasting service.

**Product description:**

## Product overview

Pair of blue cordellino tubolari for a waterproof coat, with a gold braid, designated for Aspirante

Guardiamarina Ruolo Commissariato Marittimo. This product is intended for serving personnel of the Marina Militare and for verified collectors under the applicable licence rules.

Definition: Tubolari are rank or role bands worn on the waterproof coat to indicate position within the naval service.

**Main features**

Durable, service?style tubolari made to match the required appearance for duty and naval uniforms.

- **Material:** Blue cordellino fabric with a gold braid.
- **Design:** Clean, authoritative appearance suitable for naval duty and tactical uniform use.
- **Restricted sale:** Available only to Marina Militare personnel; collectors must supply the required prefettizia licence.
- **Easy to apply:** Designed for quick and secure fitting to the waterproof coat.
- **Production time:** Manufactured on demand with a 7-day production lead time.
- **Shipping:** Delivered to the service address of the purchasing personnel.

**How to use / When it’s useful**

Use these tubolari on the impermeabile (waterproof coat) as part of the official uniform for Aspirante Guardiamarina Ruolo Commissariato Marittimo. Follow your unit’s uniform placement instructions to ensure correct positioning and appearance.

Quick answer: Fit the tubolari to the waterproof coat according to your service guidelines. In most cases, they are fitted quickly and securely and are intended specifically for duty wear by Navy personnel.

**Care and notes**

Basic care and legal notes to keep the tubolari in good condition and to respect sale rules.

- Store dry and avoid prolonged exposure to harsh elements to preserve the braid and cordellino.
- Follow uniform laundering instructions from your service to avoid damaging the braid.
- Sale is reserved for Marina Militare personnel; collectors must provide the required prefettizia licence (ex art. 28 TULPS).
- Shipping is arranged to the service station address provided at checkout.

## FAQ

**Q:** Who can purchase these tubolari?

**A:** Purchase is reserved for serving Marina Militare personnel. Verified collectors may buy only after providing the required prefettizia licence.

**Q:** What is the production time?

**A:** Production time is 7 days from order confirmation. Orders are made to request and processed in sequence.

**Q:** How are tubolari shipped?

**A:** Shipping is made to the buyer’s service address as provided during checkout to comply with distribution rules.

**Q:** What materials are used?

**A:** Tubolari are made of blue cordellino fabric with a gold braid to match the expected service appearance.

**Q:** Can civilians buy these tubolari?

**A:** No. Sale is reserved for Marina Militare personnel. Collectors must present the appropriate licence to complete an order.

**Q:** Are these suitable for duty or display in a collection?

**A:** They are intended for duty use by authorized personnel and can be acquired by collectors only under the legal licence conditions.

**Tip:** Choose the correct variant and confirm the service address before ordering; check related naval and military duty accessories to complete your uniform or collection.
