Product overview

The Fregio Regia Marina Militare is a hand-embroidered, faithful reproduction of the historic Regia Marina Militare insignia, designed for collectors, military history fans, and display in private collections or museums. It reproduces the original emblem in gold bullion thread on black cloth, offering an accurate decorative piece rather than an issued uniform badge.

Definition: a hand-embroidered gold-bullion insignia (5 cm x 6.5 cm) representing the Regia Marina Militare trophy. Ideal for military surplus collectors, tactical gear enthusiasts, and duty or police display items.

How to use / When it’s useful

Quick answer: use this fregio as a collectible display item, in a framed presentation, or as part of a historical exhibit. It is produced as a decorative reproduction, not an official service badge.

In most cases, collectors add the fregio to a framed memorabilia set, a shadow box, or a military surplus display. It also fits well in tactical or duty-themed collections where historical insignia are featured.

Care and notes

Handle the fregio carefully to preserve the gold thread and cloth backing; keep it dry and protected from direct sunlight to maintain color and detail.

- Store flat or framed to avoid creasing.
- Keep away from moisture and prolonged sunlight to prevent tarnishing of the bullion thread.
- Not an official issued emblem—intended for display and collection purposes only.
- Limited quantities and handcrafted details may cause small, natural variations between pieces.
- Generally dispatched within 5–7 working days.
