Product description:

Product overview

The Targhetta Ricamata Corpo Militare Croce Rossa is an embroidered identification patch made for personnel of the Corpo Militare della Croce Rossa. It is intended for use on camouflage uniforms and field kit where clear, discreet identification is needed.

Definition: an embroidered, low-visibility identification patch with a Velcro backing, featuring the Croce Rossa shield and the inscription "Corpo Militare Croce Rossa". This tactical-style patch suits military, duty, and field use.

Main features

Designed for practical use and quick identification, the patch pairs subdued colours with secure attachment for operational uniforms.

- **Purpose-built design:** Specifically for Corpo Militare della Croce Rossa personnel, showing the shield and clear lettering.
- **Low-visibility embroidery:** Black thread on a vegetated camouflage background for discreet field use.
- **Velcro rear:** Hook-and-loop backing for fast, secure attachment to uniform Velcro panels.
- **Durable construction:** Made to withstand routine operational use.
- **Three variants:** Available in three selectable variants from the product dropdown.

How to use / When it’s useful

Quick answer: attach the patch to any Velcro-ready area on your camouflage uniform or field jacket for immediate identification. It is designed for visible but low-profile marking in natural environments.

In most cases, the patch is useful during field operations, training, and deployments where discreet identification is required. Select the variant that matches your uniform layout and unit rules before purchase.

Care and notes

Simple handling and verification steps help maintain the patch and ensure proper sale to authorised staff.

- **Attachment:** Velcro backing allows quick on/off; store detached when not in use.
- **Verification required:** Sale reserved to identified Corpo Militare Croce Rossa personnel; identity verification is required before order release.
- **Limited availability:** Stock is limited and orders are subject to verification and approval.
- **Select variant carefully:** Choose the correct option from the dropdown to match your uniform and command rules.
