Product short description:

The "Grado Velcro Primo Capitano" is a Velcro-backed rank patch for military uniforms, workwear and collectors seeking a professional, authoritative appearance.

- **Material:** Crafted from quality materials for durability and long service life.
- **Attachment:** Velcro backing ensures a secure, removable fit on compatible uniforms and gear.
- **Use:** Ideal for military and work uniforms, tactical garments, or for display in a collection.
- **Appearance:** Adds a clear, professional rank marker to enhance presence and uniformity.
- **Care:** Easy to apply and remove; keep surfaces clean and dry before attaching.

Product description:

Product overview

The Grado Velcro Primo Capitano is a stitched rank patch for Italian Army personnel, designed to attach to olive-green polos or duty shirts. It is intended for serving Army members and verified collectors who hold the required permits.

Definition: a low-visibility embroidered rank patch (7 x 4.5 cm) with a hook-and-loop (velcro) backing for quick attachment and removal. Suitable for tactical and military surplus use on duty clothing.

Main features

Clear, durable construction designed for professional military use.

- **Design:** horizontal bar topped by three five-point stars, embroidered in black low-visibility thread on olive-green fabric.
- **Backing:** velcro hook-and-loop for fast attachment and removal without damaging fabric.
- **Size:** 7 x 4.5 cm — discreet but authoritative on the uniform.
- **Use:** made for polos and shirts used in duty and tactical settings.
- **Finish:** precise embroidery for a professional appearance.

How to use / When it’s useful

Apply the patch by aligning the velcro backing with the corresponding loop panel on your polo or shirt; press firmly to secure. Remove by peeling the patch off slowly to avoid pulling the textile.

Quick answer: attach and remove in seconds using the velcro backing. In most cases, this patch is used for on-duty identification and uniform personalization while keeping a low-visibility profile.

Care and notes

Maintain the patch and garment to preserve appearance and function.

- Hand wash or gentle machine wash the garment; detach the patch before laundering when possible.
- Avoid harsh chemicals or high-heat drying to protect embroidery and velcro performance.
- Sale restricted: available only to Italian Army personnel or collectors with a valid prefectural license (art. 28 TULPS).
- Purchase requirement: send a copy of military ID or service certification via the site’s contact form, or use your service address as the shipping address when registering.

FAQ

Q: Who can buy the Grado Velcro Primo Capitano?

A: Sale is limited to serving Italian Army personnel and collectors who hold a valid prefectural license under art. 28 TULPS. Proof is required before order processing.

Q: How do I attach the patch to my uniform?

A: The patch uses a velcro hook-and-loop backing. Align it with the loop panel on your polo or shirt and press firmly; remove by peeling off gently.

Q: What are the patch dimensions?

A: The patch measures 7 x 4.5 cm. It is designed to be discreet yet clearly indicate rank on duty clothing.

Q: What documentation is needed to buy?

A: You must provide a copy of your military ID or an official service certificate. Collectors must submit a copy of the prefectural license under art. 28 TULPS.

Q: Is the patch visible at a distance?

A: The patch is embroidered in black low-visibility thread on olive-green fabric for a subdued, professional look rather than high contrast visibility.

Q: Can the patch damage my clothing?

A: When attached and removed correctly, the velcro backing should not damage polo or shirt fabric. Detach before washing to reduce wear on both patch and garment.

Tip: Choose the correct placement and check that your garment has a matching loop panel before ordering; consider browsing related tactical and military surplus patches to complete your uniform set.
