Product short description:

Sacca Porta Caricatori Esausti Vegetato is a compact, durable pouch designed to carry spent magazines. Ideal for airsoft players and field professionals who need quick, secure storage and a low-profile camouflage look.

- **Material:** Robust fabric with vegetato camouflage print for practicality and durability.
- **Closure:** Hook-and-loop fastener for fast, reliable access.
- **Attachment:** Modular mounting system for secure fixation to tactical gear.
- **Use:** Holds empty magazines to keep magazines organized and accessible in the field.
- **Design:** Compact, functional layout built for everyday use outdoors.

Product description:

Product overview

The Sacca Porta Caricatori Esausti Vegetato is a compact pouch for collecting and carrying spent magazines, designed for outdoor enthusiasts, airsoft players, and tactical users such as military, police, and duty personnel. Definition: a Vegetato-pattern spent-magazine pouch with MOLLE

attachment for quick, secure access.

Made for practical field use, the pouch combines a camouflage Vegetato finish with a functional layout that fits backpacks, belts, and tactical vests. It is suitable for military surplus rigs, tactical setups, and casual outdoor gear.

Main features

Key features focused on organization, secure attachment and easy access.

- **Vegetato pattern:** Camouflage finish that blends with natural environments for outdoor and tactical use.
- **Rear MOLLE attachment:** Compatible with most MOLLE platforms for mounting on packs, belts, and vests.
- **Multiple pockets:** One front pocket and two side pockets, each with Velcro closures and a D-ring hook for accessories.
- **Elastic drawcord closure:** Keeps contents secure during movement.
- **Compact size:** Measures 18 x 8 x 13 cm—small enough to avoid bulk, large enough for spent magazines and small items.
- **Durable construction:** Built from high-quality materials designed for wear resistance and outdoor use.

How to use / When it’s useful

Quick answer: Attach the pouch to any MOLLE-compatible platform, place spent magazines or small accessories inside, and secure with the Velcro and elastic drawcord. Use the D-ring for clips or small tools.

In most cases, this pouch is useful during training, airsoft matches, field exercises, or patrols where you need a compact, reachable place for empty magazines and accessories. Its Vegetato camo and sturdy attachment make it suitable for tactical, military surplus, duty, and police setups.

Care and notes

Simple care keeps the pouch functional and prolongs its life.

- Wipe clean with a damp cloth; avoid harsh chemicals.
- Close Velcro before storage to protect fastening surfaces.
- Avoid prolonged exposure to direct sunlight to preserve color.
- Check MOLLE straps and Velcro periodically for secure attachment.

FAQ

Q: What are the pouch dimensions?

A: The pouch measures 18 x 8 x 13 cm. These compact dimensions balance capacity and low profile for everyday tactical use.

Q: Is the pouch compatible with other attachment systems?

A: Yes, the pouch uses a rear MOLLE attachment and is compatible with most MOLLE-equipped backpacks, belts, and tactical vests.

Q: How many pockets does it have?

A: It has one front pocket and two side pockets. All pockets use Velcro closures and include a D-ring hook for attaching small items.

Q: Is the Vegetato pattern durable?

A: The Vegetato finish is produced with high-quality materials intended to resist wear and outdoor conditions, helping maintain the pattern over time.

Q: Is this pouch suitable for outdoor activities like airsoft and patrols?

A: Yes. The pouch is designed for outdoor, tactical, and softair (airsoft) activities and fits well with military surplus and duty gear.

Q: Is the product in stock?

A: Stock levels can vary; demand is often high. Please check the product page for current availability before purchasing.

Tip: Choose the right pouch placement for quick access—consider mounting on a belt, pack, or vest top—and browse related tactical and military surplus items to build a complete loadout.
