How to use / When it’s useful

Quick answer: use this cap as part of the official uniform for daily police duty, inspections, formal events, and other service occasions where the standard headgear is required.

In most cases: officers wear the Berretto Femminile during patrols, ceremonies, and official appearances; collectors may acquire one only after presenting the required prefectural license under art. 28 TULPS. The cap’s structured shape keeps a formal, professional look while remaining comfortable for extended wear.
