Product overview

The Panno Blu Marina Militare is a blue cloth designed for military personnel who want to arrange and mount ribbon bars on their uniforms. Definition: it is a durable blue mounting cloth cut to size for composing and securing ribbon stripes on a ribbon bar or plate.

Suitable for navy, army, police and other duty uniforms, this product is a practical option for anyone in need of a customizable solution from the military surplus and tactical gear range.

Main features

Simple, robust and adjustable — the Panno Blu Marina Militare lets you shape the cloth to your exact ribbon configuration for a neat, professional result.

- **Adjustable size:** Cut-to-fit material that can be trimmed to match the number of ribbon positions.
- **Durable material:** Made to withstand daily use and general wear on duty uniforms.
- **Full customization:** Users can shape and size the cloth to fit one- or multi-row ribbon arrangements.
- **Multiple position options:** Available quantities suitable for 2, 5, 10, 15, 20 positions and more.
- **Easy to handle:** Can be cut with common scissors for quick, clean adjustments.
- **Uniform compatibility:** Designed to work with most standard ribbon plates used on military and police uniforms.

How to use / When it’s useful

Quick answer: measure the number of ribbon positions you need, cut the Panno Blu to the correct length, place the ribbon bars on the cloth and fix the assembly to your ribbon plate or uniform using your preferred mounting method. This product is useful when you need a neat, repeatable setup for ribbon bars without ordering pre-assembled strips.

In most cases, the Panno Blu is selected by personnel updating or reorganizing decorations, or by those who prefer a custom layout for tactical, duty or ceremonial wear. It is especially helpful for rebuilding or expanding ribbon displays across single or multiple rows.

Care and notes

Simple care keeps the Panno Blu functional and tidy; follow these practical points when cutting and fitting the cloth.

- Use sharp scissors for clean cuts and accurate sizing.
- Check fit before final fastening and secure each ribbon to avoid movement during use.
- Compatible with most ribbon plates, but verify attachment method (clamps, screws or other fasteners) for your specific uniform.
- Keep away from sharp edges while cutting and handle tools with care to avoid injury.

FAQ

Q: What size is the Panno Blu Marina Militare?

A: The cloth is supplied in variable lengths and is intended to be cut to the user’s needs. Size depends on the number of ribbon positions you plan to create.

Q: Can I choose the amount of cloth for several ribbon positions?

A: Yes. The product is offered in selectable quantities suitable for creating ribbon bars for 2, 5, 10, 15, 20 positions and more.

Q: Is the Panno Blu easy to cut?

A: Absolutely. It is made from a material that can be trimmed with common household scissors for a quick and accurate finish.

Q: Is the cloth compatible with all military uniforms?

A: The Panno Blu is designed to be compatible with most standard military and police uniforms. Always verify your ribbon plate and attachment method before final assembly.

Q: Will the Panno Blu last through regular use?

A: Yes. The material is chosen for durability and to resist everyday wear, suitable for both field and formal duty use.

Q: Can I use the cloth with existing ribbons I already own?

A: Yes. The cloth is ideal for reorganizing or re-mounting preexisting ribbons into a tidy, custom layout.

Tip: Choose the cloth length that matches the number of ribbon positions you need and check attachment options for your specific ribbon plate. Consider browsing related military surplus and tactical mounting accessories to complete your setup.
