Product overview

The Panno Nero Gala o Carabinieri is a 13 cm x 4 cm black gala cloth rectangle made for users who assemble their own service ribbons and nastrini—suitable for Carabinieri, police, military

surplus restorations, tailors and collectors. It is a simple fabric component for creating formal ribbon bars and duty or ceremonial insignia.

Definition: The Panno Nero Gala o Carabinieri is a 13 cm x 4 cm black cloth piece intended for the manual composition of ribbon bars up to five places.

Main features

Designed for flexibility and durability, this cloth works well for custom ribbon assembly and small-scale production. Key selling points include quality material, easy customization and bulk options for cost savings.

- **Size:** 13 cm x 4 cm, suitable for composing a ribbon bar up to five places.
- **Versatility:** Order multiple pieces via the dropdown to make longer ribbon bars (5, 10, 15, 20 places and more).
- **Quality fabric:** Made from durable material that resists wear for formal and field use.
- **Easy to trim:** Designed to be cut to exact dimensions for clean presentation.
- **Cost-effective:** Buying cloth pieces instead of preassembled ribbons can reduce costs for bulk or custom work.
- **Suitable uses:** Ideal for ceremonial, duty or tactical/military surplus restoration projects.

How to use / When it’s useful

Quick answer: Cut the 13 x 4 cm cloth to the exact size needed and place it into your ribbon mount or new ribbon assembly; you are responsible for cutting and final positioning. This product is intended as a component, not a finished ribbon.

In most cases, a single piece is sufficient to assemble a ribbon bar up to five places; for longer bars select multiple pieces from the dropdown. It is useful when you need custom layouts, replacements for worn ribbons, or cost-efficient bulk assembly for police, Carabinieri, or military applications.

Care and notes

Handle and store the cloth carefully to keep edges clean and the color uniform; follow these practical notes when preparing and assembling ribbons.

- Cut with sharp tools and measure before trimming to avoid uneven edges.
- Ensure precise placement in the ribbon mount to maintain correct appearance and function.
- Store flat in a dry place to prevent creasing or soiling before use.
- Order multiples through the dropdown for larger projects or long ribbon bars.

FAQ

Q: What are the exact dimensions of the cloth?

A: The piece measures 13 cm by 4 cm. This size is intended to cover the material needs for assembling a ribbon bar up to five places.

Q: Can I order multiple pieces for longer ribbon bars?

A: Yes. Use the dropdown menu to select multiple quantities. Options are sized to cover ribbon bars of 5, 10, 15, 20 places and more, depending on how many pieces you order.

Q: Is the fabric easy to cut and shape?

A: Yes. The cloth is designed to be easily trim-able with sharp scissors or a rotary cutter. Measure and cut carefully to ensure a clean finish.

Q: Is this product a finished ribbon or a component?

A: It is a raw component for ribbon composition. You will need to trim and position the cloth into your ribbon mounts or preexisting assemblies yourself.

Q: Is this suitable for Carabinieri and police use?

A: The cloth is described and sold specifically for uses such as Carabinieri and other police or military ceremonial ribbons. It is intended for assembly and restoration of duty insignia and ceremonial bars.

Q: How do I order and receive the product?

A: Select the desired quantity from the dropdown and add the item to your cart. Delivery is handled through the standard checkout and shipping options; the product is shipped as fabric components for customer assembly.

Tip: Choose the correct quantity variant in the dropdown based on how many ribbon places you need, and check related items such as ribbon mounts or preassembled bars to compare options before finalizing your order.
