- **Design:** Slim, refined profile that fits cleanly with any uniform.
- **Access:** Practical opening for fast, easy badge retrieval.
- **Use:** Blends functionality and a professional appearance for daily duty.

Product description:

Product overview

The Badge Holder is a compact plastic case designed to protect and display official badges for police, security, military and duty personnel who need quick identification on the job. Definition: a badge holder is a protective case with a transparent window that lets you show your badge without removing it.

Made from robust plastic with a scratch-resistant clear window, this neutral-design holder is easy to carry and keeps your badge visible and protected. Size: 2.8 x 2.8 x 2.9 cm—small enough for uniform pockets, tactical gear, or everyday carry.

Main features

Built for reliability and simple use, suitable for tactical, duty, and police applications as well as military surplus setups.

- **Durable plastic:** sturdy construction for long-lasting use and impact resistance.
- **Transparent window:** scratch-resistant clear panel for instant badge visibility.
- **Compact size:** 2.8 x 2.8 x 2.9 cm for easy portability.
- **Neutral design:** unobtrusive look that fits most badge styles.
- **Easy access:** opens and closes quickly for fast badge presentation.

How to use / When it’s useful

Slide your badge into the holder through the opening and close it; the clear window keeps the badge visible while protected. Use it during patrols, checkpoints, events, travel, or any situation where you need quick, on-the-spot identification.

Quick answer: it lets you display your badge without removing it. In most cases, the neutral shape fits common badge formats, but always check the holder dimensions (2.8 x 2.8 x 2.9 cm) against your badge before purchase.

Care and notes

Simple care keeps the holder functional and looking good. Check fit before ordering and store away from excessive heat.

- Wipe the window with a soft, damp cloth to remove dirt and fingerprints.
- Avoid harsh solvents or abrasive cleaners that can damage the clear panel.
- Do not expose to prolonged high temperatures to prevent warping.
- Currently available in a neutral color; verify dimensions to ensure compatibility with your badge.

FAQ

Q: Is this holder suitable for all types of badges?

A: The neutral design fits most common badge shapes and sizes, but we recommend checking the holder dimensions (2.8 x 2.8 x 2.9 cm) against your badge before buying.

Q: Is the transparent window scratch-resistant?

A: Yes. The window is made from a scratch-resistant material to keep your badge clearly visible over time.

Q: Can I open and close the holder quickly during duty?

A: Yes. The holder is designed for easy opening and closing to allow rapid access to the badge when needed.

Q: What are the exact dimensions of the holder?

A: The external dimensions are 2.8 x 2.8 x 2.9 cm. Use these measurements to confirm the fit with your badge.

Q: Is the holder available in different colors?

A: At the moment it is offered in a neutral color only, chosen to suit most uniforms and equipment.

Q: Is the holder durable enough for daily use?

A: Yes. Constructed from robust plastic with impact resistance, it is suitable for regular use in duty, tactical, and security environments.

Tip: Choose the right size by comparing the holder dimensions with your badge before ordering, and browse related tactical and duty accessories to complete your kit.
