How to use / When it’s useful

Quick answer: attach the badge to your cappello alpino to show battalion affiliation or add it to a collection or tactical display. In most cases, the badge is used on the alpine hat of battaglione Logistico Alpini personnel or kept as a collectible item.

The badge works well for uniform presentation, veteran keepsakes, or military surplus and tactical-gear displays. It fits standard alpini hat placement and complements other duty or display insignia without overpowering the hat’s appearance.
