Product overview

The Nastrino al Merito della Croce Rossa San Marino is a merit ribbon awarded to individuals who have provided notable financial support or exceptional moral services to the Croce Rossa Sammarinese. It is intended for recipients, collectors, uniform maintainers and military surplus or tactical gear enthusiasts who display or preserve service awards.

Definition: a formal ribbon (nastrino) symbolizing merit for the Croce Rossa Sammarinese. This

ribbon is a white band with four alternating light-blue (celeste) stripes and is offered in two standard sizes.

Main features

Clear, shop-ready options and multiple mounting choices make this ribbon suitable for display on single mounts or multiple ribbon bars used in duty, police or military surplus collections.

- **Color and pattern:** white with four alternating celeste (light-blue) stripes.
- **Available sizes:** 37 mm and 20 mm.
- **Finish options:** flat regulatory version or slightly domed "Elite" variant.
- **Mounting choices:** fits single ribbon mounts with rear clamp or screw attachments (selectable on the product page).
- **Loose ribbon option:** sold as a loose ribbon when required for custom mounting or sewing.
- **Suitable use:** display on ribbon bars for collectors, museums, tactical and duty uniform presentations.

How to use / When it’s useful

Use the ribbon on a single ribbon mount or on multi-slot ribbon bars to create a complete group display. Choose the mounting method (clamp or screws) when adding the ribbon to your cart.

Quick answer: select the size and attachment style you need, or order the loose ribbon for custom sewing.
In most cases, the 37 mm format is chosen for larger display bars and the 20 mm for compact or miniature bars, but pick the size that fits your specific ribbon mount.

Care and notes

Basic care and ordering notes to ensure the ribbon meets your display needs.

- Choose the correct size and mounting option before checkout to avoid returns.
- Stock is limited; demand can be high—order early if you need a specific format.
- Colors may vary slightly due to screen display; handle the ribbon gently when mounting.
- If using on multi-ribbon bars, verify spacing and slot compatibility with your metal base.

FAQ

Q: What sizes are available for this ribbon?

A: The ribbon is available in two sizes: 37 mm and 20 mm. Choose the size that matches your ribbon mount or display bar.

Q: How can I attach the ribbon to a mount?

A: You can apply the ribbon to a single ribbon mount with a rear clamp or with screws. Select the preferred attachment option on the product page.

Q: Can I buy the ribbon as a loose strip?

A: Yes. There is an option to purchase the ribbon as a loose strip for custom sewing or mounting on non-standard displays.

Q: Is there a domed or special finish available?

A: Yes. The ribbon is available in the flat regulatory finish and a slightly domed "Elite" variant for a different visual profile.

Q: Can this ribbon be fitted on multiple-slot ribbon bars?

A: Yes. It can be mounted on two-or-more-slot ribbon bars. Confirm the bar’s slot dimensions to ensure a proper fit before ordering.

Q: Is this ribbon widely available?

A: Availability is limited and demand can be high. If you need a specific size or finish, we recommend ordering soon to secure the item.

Tip: Choose the correct size (37 mm or 20 mm) and the preferred attachment (clamp or screws) before adding to cart. Browse related ribbons and ribbon bars to complete your display or collection without delays.
