Product overview

This hand-embroidered silk Tricolore mayor sash is designed for mayors and municipal officials

who need a formal symbol of office for ceremonies and official events. It is a traditional piece of municipal regalia used to show civic authority and representation.

Definition: A mayor sash is a ceremonial, diagonal silk band worn across the chest to identify the officeholder during official functions.

Main features

Carefully crafted from high-quality materials with traditional Italian detailing, the sash combines classic style with municipal customization options.

- **Material:** Highest-quality silk base with hand-embroidered threads in gold and silver.
- **Design:** Italian tricolore represented by geometric embroidered motifs reflecting historic republican roots.
- **Size:** Approximately 3 meters long and 12 centimetres wide for a dignified appearance.
- **Personalization:** Both tails can be hand-embroidered with the municipal emblem and the emblem of the Italian Republic.
- **Finish:** Gold canutiglia fringe on both ends for a formal, finished look.
- **Craftsmanship:** Fully hand-embroidered details for a distinctive, traditional finish.

How to use / When it’s useful

Wear the sash over the shoulder with the tricolore facing up, positioned diagonally across the chest. It is intended for official ceremonies, oath-taking, public speeches, flag ceremonies and other formal municipal events.

Quick answer: The sash is worn as a shoulder-to-hip diagonal band to signify the mayor’s office. In most cases, you will order a personalized version with your Comune’s emblem and provide height or shoulder-to-hip measurements to ensure correct fit and proportion.

Care and notes

The sash is a handcrafted ceremonial item and should be handled and stored with care to preserve the silk and embroidery. Production times depend on personalization details and will be confirmed at booking.

- Avoid rough handling and store flat or lightly rolled to protect silk and metallic threads.
- Dry-clean only by a specialist familiar with delicate embroidery.
- Provide the Comune name and any emblem images when ordering to enable accurate customization.
- Production and delivery times vary; reserve in advance due to limited availability and high demand.

FAQ

Q: How long does production take?

A: Production time depends on the level of personalization and current order queue. You will receive an estimated lead time when you book your sash.

Q: Can the sash be personalized with my Comune’s emblem?

A: Yes, both the municipal emblem and the emblem of the Italian Republic can be hand-embroidered on the tail ends. Provide images and exact wording at the time of order.

Q: What are the sash dimensions?

A: The sash measures approximately 3 metres in length and 12 centimetres in width, sized to provide a formal, visible presence when worn.

Q: How should I wear the mayor sash?

A: The sash is worn over one shoulder and across the chest with the tricolore facing upward, positioned diagonally from shoulder to hip for official appearances.

Q: What material is the sash made from?

A: The sash is made from high-quality silk with hand-embroidered gold and silver threads and gold canutiglia fringe on the tails.

Q: Is the sash available immediately?

A: Availability is limited due to handmade production. We recommend reserving and confirming customization details early to secure your sash.

Tip: Choose the correct length and request personalization details (Comune name and emblem) at booking; consider browsing related ceremonial and municipal regalia to complete the official outfit.
