Product short description:

The Ultralight Nylon Green Backpack is a lightweight, durable pack designed for daily adventures and travel. Ideal for commuters, hikers and travelers who want a practical, comfortable and modern carry solution.

- **Material:** Durable, lightweight nylon construction for everyday use and easy packing.
- **Design:** Ergonomic shape and straps to ensure comfort during long days.
- **Organization:** Multiple pockets and compartments to organize and access essentials.
- **Use:** Bright green color adds a fresh look; suitable for hiking, travel or everyday city use.

Product description:

Product overview

The Ultralight Nylon Green Backpack is a compact, 20?liter daypack designed for hikers, commuters, and anyone needing a lightweight carry option for outdoor or urban use. It suits casual outdoor activities as well as tactical-style carry for everyday duty or police use where minimal weight and easy storage are important.

Definition: a foldable nylon ripstop daypack that packs small, offers basic organization, and is meant for light loads and short trips. Made from tear?resistant nylon ripstop, it balances durability with minimal bulk.

Main features

Key features that make this backpack practical for travel, city use, and light tactical or duty carry.

- **Material:** Nylon ripstop for tear and abrasion resistance.
- **Lightweight:** Ultralight construction for easy transport and long wear.
- **Capacity:** 20 liters—enough for essentials without being bulky.
- **Compact size:** 35 x 30 x 16 cm, stows away in tight spaces.
- **Adjustable straps:** Two padded shoulder straps for a customized fit.
- **Hand carry:** Top handle for quick grab-and-go versatility.

How to use / When it’s useful

Quick answer: Use this pack as a lightweight daypack for short hikes, commuting, travel, errands, or as a secondary pack for tactical and duty routines. It’s ideal when you need a simple, packable bag that won’t add bulk.

In most cases, pack essentials like a water bottle, light jacket, snacks, and small tools or duty items. Because it is ultralight and 20 liters in volume, avoid overloading for long expeditions or heavy equipment transport.

Care and notes

Simple care keeps the nylon ripstop in good condition and maintains the pack’s compact performance.

- Wipe clean with a damp cloth; air dry before storing.
- Store folded or flat in a dry place to preserve shape and material.
- Not intended for heavy loads—check seams and straps regularly for wear.
- Contains no waterproof guarantee; use an external rain cover in heavy rain.

FAQ

Q: What is the backpack’s capacity?

A: The backpack has a 20?liter capacity, suitable for daily essentials and short outings.

Q: What material is the pack made from?

A: It is made from nylon ripstop, a fabric designed to resist tearing and general wear.

Q: Are the shoulder straps adjustable?

A: Yes. The pack has two adjustable shoulder straps so you can fit it comfortably to your body.

Q: What are the pack dimensions?

A: Dimensions are 35 x 30 x 16 cm, giving a compact profile that stores easily when not in use.

Q: Can I carry it by hand?

A: Yes. In addition to the shoulder straps, the backpack includes a top handle for hand carry or quick lifts.

Q: Is this suitable for tactical or duty use?

A: The pack is suitable as a lightweight option for tactical-style carry, urban duty, or as a secondary pack for police and security personnel. It is not a heavy-duty load-bearing system or certified equipment pack.

Tip: Choose the right variant or size for your needs and browse related tactical, outdoor, or urban daypacks to compare features. Consider a rain cover or protective sleeve if you expect wet conditions.
