Product overview

The Puntale Aquila Alpini for gagliardetto is a gilded brass eagle finial designed for collectors,

ceremonial units, and those displaying Alpini memorabilia. It is suitable for military surplus displays, ceremonial duty flags, and police or tactical collections that require authentic-looking accessories.

Definition: The Puntale Aquila Alpini is a brass gilt eagle finial made to mount on a gagliardetto (ceremonial pennant).

Main features

Quality materials and a detailed design combine to offer a durable, presentable finial for display and ceremonial use.

- **High-quality material:** Made of gilded brass for long-term durability and a polished appearance.
- **Detailed eagle design:** The Alpini eagle is finely worked to reflect the unit’s tradition and heritage.
- **Threaded attachment:** Supplied with a threaded fitting for straightforward mounting on a flagstaff or gagliardetto pole.
- **Balanced weight:** Weighs 1.5 Kg to provide stability without excessive bulk.
- **Historical value:** Intended as a display-quality piece that reflects Alpini history and tradition.

How to use / When it’s useful

Quick answer: Use this puntale to finish a gagliardetto for indoor display, parades, or commemorative events. It fits on poles with a compatible threaded end and adds formal presence to the pennant.

In most cases, it is used by veterans, associations, collectors, and ceremonial units to present a stable, representative top for flags. For outdoor display, consider a sheltered location and routine checks to preserve the finish.

Care and notes

Basic care keeps the finish looking its best and ensures secure mounting; handle the puntale with care due to its weight.

- Wipe with a soft, dry cloth to remove dust; avoid abrasive cleaners that may damage the gilding.
- Check the threaded attachment regularly to ensure it remains tight and secure on the pole.
- Store or display indoors when possible to limit weather exposure; brass is durable but may require maintenance if left outdoors.
- Note the 1.5 Kg weight and use a suitably sturdy pole or stand to prevent tipping.

FAQ

Q: What material is the puntale made of?

A: The puntale is made of gilded brass, chosen for its durability and traditional appearance. It provides a polished look suitable for display and ceremonial use.

Q: How much does the puntale weigh?

A: The puntale weighs 1.5 Kg. This weight gives good stability to a gagliardetto but requires a sturdy pole or stand to support it safely.

Q: Is it easy to mount?

A: Yes. The puntale comes with a threaded attachment for straightforward installation on a compatible pole. No special tools or skills are normally required.

Q: Is the eagle design detailed?

A: The eagle is finely worked to reflect the Alpini tradition and heritage. The finish and detailing are intended for display-quality presentation.

Q: Can I use this puntale outdoors?

A: It can be used outdoors, but we recommend sheltered display and periodic care. Prolonged exposure to weather may affect the gilded finish over time.

Q: Is this item readily available?

A: Availability is limited due to demand. If you need several pieces for a unit or event, consider ordering early to avoid delays.
