Product short description:

A belt with an integrated shoulder pad and holder for a rod or baton, made for professionals and enthusiasts who need hands-free carry with reliable comfort and function.

- **Material:** Durable, high-quality materials for dependable everyday use.
- **Use:** Distributes weight evenly to reduce fatigue during prolonged wear; suitable for professional and recreational use.
- **Fit:** Ergonomic, adjustable shoulder pad and belt adapt to most body types for a secure, comfortable fit.
- **Function:** Keeps the rod or baton accessible while freeing the hands and providing stable support.
- **Durability:** Reinforced construction for long-lasting performance and reliability.

Product description:

Product overview

The **Cinturone con Spallaccio Porta Asta** is a ceremonial leather belt with a shoulder strap and

front socket, designed for flag bearers, honor guards, and ceremonial units. It suits users in military, police, and civic parades who need a functional, tidy way to carry a flagstaff.

Definition: a black leather parade belt, 4 cm high, with an adjustable buckle, shoulder strap to distribute weight, and a front "cup" to hold the flagstaff. The belt is made from quality black leather and is available within about 10 days of order.

Main features

Practical, durable components designed for comfort and a secure hold during parades or ceremonial duties.

- **High-quality material:** black leather construction for durability and a neat appearance.
- **Ergonomic shoulder strap:** distributes weight evenly to reduce fatigue on long marches.
- **Integrated flagstaff socket:** front "cup" holds the flagstaff securely and steadily.
- **Adjustable fit:** belt is 4 cm high and features an adjustable buckle to fit different body sizes.
- **Typical lead time:** available within about 10 days from order.

How to use / When it’s useful

Quick answer: Use this belt whenever you need a stable, comfortable way to carry a flag during parades, ceremonies, or official duties. The shoulder strap keeps the load balanced while the front cup secures the staff.

In most cases, the belt is fitted over the uniform at waist level and the shoulder strap adjusted for even weight distribution. It is appropriate for ceremonial, tactical, or duty use where a formal appearance and reliable support are required.

Care and notes

Simple maintenance and correct fitting will extend the life and performance of the leather belt.

- Allow about 10 days for delivery after placing the order.
- Clean and condition leather with suitable products to prevent drying and cracking.
- Adjust the buckle and shoulder strap for a snug, comfortable fit to avoid rubbing.
- Limited stock may apply; check availability before finalizing event plans.

FAQ

Q: Is the belt adjustable?

A: Yes, the belt has an adjustable buckle to fit a range of body sizes. Adjust the strap and buckle before use for a secure fit.

Q: What material is the belt made of?

A: The belt is made of black leather. The leather is selected for durability and a tidy ceremonial appearance.

Q: How long does delivery take?

A: Delivery is typically within about 10 days from the date of order. Allow extra time for high-demand periods.

Q: Is the flagstaff socket secure?

A: Yes, the front "cup" (porta asta) is designed to hold the flagstaff steadily during parades and ceremonies. Always check the fit before marching.

Q: Will the shoulder strap be comfortable on long parades?

A: The shoulder strap is designed to distribute weight evenly and reduce fatigue. Proper adjustment improves comfort on longer duties.

Q: Is this suitable for military, police, or ceremonial use?

A: Yes, the belt is suitable for ceremonial and duty use by military, police, and civic honor guards where a formal and practical belt is required.

Tip: Choose the correct size and adjust the buckle and shoulder strap before your event. Browse related ceremonial and duty gear to complete your uniform setup without delay.
