Product short description:

M4/M16 magazine pouch with MOLLE attachment — a practical, secure storage solution for operators, airsoft players and outdoor enthusiasts who need quick access to spare magazines. Designed for fast, easy retrieval, it is constructed from durable materials to withstand demanding field use.

- **Material:** Tough, wear-resistant fabric built for long service life.
- **Compatibility:** MOLLE mounting fits tactical vests, backpacks and other load-bearing gear.
- **Function:** Designed for fast, reliable access to M4/M16 magazines.
- **Size/Weight:** Lightweight and compact for low-profile carry.

Product description:

Product overview

The Porta Caricatori M4 M16 Attacco a Molle is a MOLLE-mounted magazine pouch designed for operators, law enforcement, and outdoor users who need secure, quick access to rifle magazines. It holds up to two M4/M16 magazines and fits common tactical loadouts.

Definition: A compact, olive-drab nylon 1000D double magazine pouch with a removable Velcro flap and rear MOLLE attachment for fast installation on compatible vests, belts, and packs.

Main features

Built for durability and straightforward integration with tactical and military surplus gear, this pouch balances protection and accessibility.

- **Material:** Heavy-duty nylon 1000D for wear and tear resistance.
- **Capacity:** Holds up to 2 M4/M16 magazines; compatible with ARX-160 magazines.
- **Attachment:** Rear MOLLE mount for secure, quick installation on compatible platforms.
- **Closure:** Removable Velcro flap to keep magazines secured during movement.
- **Size:** 18.4 cm (H) x 8.9 cm (W) x 5 cm (D) — compact and low-profile.

How to use / When it’s useful

Attach the pouch to any MOLLE-compatible platform (vest, belt, or pack) by weaving the rear mounting straps into the webbing and snapping or securing as your system requires. Use the Velcro flap to retain magazines during intense activity and remove it for faster magazine changes when conditions allow.

Quick answer: Use it when you need reliable, easy-access storage for two rifle magazines on tactical, duty, or outdoor setups. In most cases, the pouch is useful for training, patrols, field work, and military surplus configurations where space and quick reloads matter.

Care and notes

Maintain the pouch for long service life and safe use.

- Keep the Velcro flap clean to ensure secure closure.
- Inspect stitching and MOLLE attachments regularly for wear.
- Wipe with a damp cloth; avoid harsh chemicals that can damage nylon.
- Ensure magazines are seated correctly and the flap is fastened to prevent loss during movement.

FAQ

Q: What material is the pouch made from?

A: It is made from heavy-duty nylon 1000D, chosen for abrasion and tear resistance in demanding environments.

Q: How many magazines does it hold?

A: The pouch holds up to two M4/M16 magazines and is also compatible with ARX-160 magazines.

Q: Is the attachment system compatible with MOLLE gear?

A: Yes, the pouch uses a rear MOLLE mounting system for easy installation on MOLLE-compatible vests, belts, and packs.

Q: Is the Velcro closure secure enough for active use?

A: The removable Velcro flap provides a secure anchor for magazines; keep the Velcro clean for best performance.

Q: What are the pouch dimensions?

A: Dimensions are 18.4 cm high x 8.9 cm wide x 5 cm deep, offering a compact, low-profile fit.

Q: Can this pouch be used for police or duty gear?

A: Yes, it is suitable for tactical, police, duty, and outdoor use where a secure, accessible magazine pouch is needed.

Tip: Choose the pouch layout and mounting position that match your loadout and workflow; consider browsing related tactical pouches and MOLLE accessories to complete your setup.
