Universal Cordura Blue smartphone pouch for people on the move. Durable Cordura fabric protects your device from scratches and bumps while keeping it easily accessible.

- **Material:** Cordura fabric for durable everyday use and basic protection against scratches and light impacts.
- **Closure:** Velcro strap for quick, secure access.
- **Fit:** Universal design fits a wide range of smartphones.
- **Use:** Suitable for travel, hiking and daily carry.
- **Color:** Blue finish adds a clean, professional look.

Product description:

Product overview

The Universal Blue Cordura Smartphone Pouch is a durable, belt-mounted pouch designed for people who need quick, secure phone access—ideal for tactical, military surplus, duty or police carry and everyday outdoor use. It protects your smartphone while keeping it within easy reach.

Definition: A compact Cordura pouch with a Velcro flap, elastic side straps and a rear belt loop with snap closure for secure carry.

Main features

Made from high-quality blue Cordura, this pouch balances durability and low-profile carry for field or daily use. Key features include:

- **Durable Cordura material:** High-wear fabric designed for long service life.
- **Velcro flap closure:** Fast, reliable access to your device.
- **Elastic side straps:** Stretch to fit a wide range of smartphone sizes.
- **Rear belt loop with snap:** Secures to belt or duty belt for stable carry.
- **Water-resistant:** Protects against light rain and splashes (not fully waterproof).
- **Universal fit:** Designed to accommodate most modern smartphones.

How to use / When it’s useful

Quick answer: Attach the pouch to your belt with the rear loop and snap, insert your phone, and close the Velcro flap for hands-free carry during patrols, hikes, travel, or daily tasks. The Velcro offers instant access when you need the phone quickly.

In most cases, the elastic side straps adapt to different phone sizes—check fit before extended use. This pouch is useful for anyone needing a rugged, low-profile phone carry solution for tactical, duty or outdoor activities.

Care and notes

Follow simple care steps to extend the pouch life and keep your device safe.

- Wipe clean with a damp cloth; avoid harsh cleaners or solvents.
- Do not submerge; Cordura is water-resistant but not waterproof.
- Close the Velcro when not in use to reduce wear and prevent debris buildup.
- Check the belt loop snap regularly to ensure a secure attachment before activity.

FAQ

Q: Which smartphones fit this pouch?

A: The pouch fits most smartphones thanks to the elastic side straps. Very large phones or those with bulky cases should be tested for fit before regular use.

Q: Is the Cordura material waterproof?

A: Cordura is water-resistant and will protect against light rain and splashes, but it is not fully

waterproof or suitable for submersion.

Q: How does the pouch attach to a belt?

A: A rear belt loop with a snap-button closure secures the pouch to belts or duty belts. Ensure the snap is fastened before active use.

Q: Is the Velcro closure secure enough for active use?

A: Yes, the Velcro flap is designed for quick access while keeping the phone secure during normal movement. Inspect and keep the Velcro clean for best performance.

Q: Are there other color options?

A: This model is currently available in blue Cordura only. Color availability may change in the future.

Q: Can this pouch be used for duty or tactical carry?

A: Yes. Its durable fabric and belt attachment make it suitable for duty, police or tactical-style carry, as well as general outdoor and everyday use.

Tip: Choose the right carry option for your belt width and phone case thickness. Consider browsing related tactical pouches and belt accessories to complete your setup.
