Product short description:

The Portachiavi Esercito Ufficiale is an elegant, functional army keychain that honors the courage and dedication of the armed forces. Ideal for collectors, veterans, and supporters.

- **Material:** Made from high-quality materials for long-lasting use.
- **Design:** Distinctive look with details inspired by the military uniform, a clear symbol of pride and belonging.
- **Function:** Secure key ring keeps your keys safe and easily accessible.
- **Gift:** A small, meaningful tribute - suitable as a present for veterans and military enthusiasts.

Product description:

Product overview

The Official Army Keychain is a licensed embroidered keyring designed for military enthusiasts, service members, and collectors who want a durable, recognizable accessory for everyday carry. It combines functional use with military-style details suitable for tactical, duty, and police gear.

Definition: the Official Army Keychain is a licensed embroidered keyring with a sturdy metal ring, measuring 13.5 cm in length and 2.5 cm in width.

Main features

Built for daily use, this keychain offers clear identification and reliable construction in a compact format.

- **Embroidered front and back:** Detailed stitching on both sides for a finished look.
- **Sturdy metal ring:** Robust split ring keeps keys secure and accessible.
- **Compact size:** 13.5 cm x 2.5 cm — easy to find but not bulky.
- **Official commercial license:** Sold under license to ensure authenticity.
- **Durable, water-resistant materials:** Designed to withstand everyday exposure (not fully waterproof).
- **Suits tactical and everyday use:** Works well with military surplus gear, duty belts, backpacks, and police equipment.

How to use / When it’s useful

Attach the keychain to your keys, backpack, duty belt, or ID loops to keep important items organized and easy to find. It is also useful as a visible ID marker on bags and gear during travel or operations.

Quick answer: use it for keys, bag identification, or to mark tactical equipment.
In most cases, it serves well for everyday carry, field use, and as a practical gift for military or police fans.

Care and notes

Maintain the keychain with simple care to preserve the embroidery and metal parts.

- Wipe clean with a damp cloth; avoid aggressive chemicals.
- Not fully waterproof—avoid prolonged immersion in water.
- Keep away from direct heat to prevent fabric or thread damage.
- Check the metal ring periodically for wear or deformation.

FAQ

Q: Is the keychain water-resistant?

A: The keychain is made with water-resistant materials suitable for light rain and splashes. It is not guaranteed to be fully waterproof, so avoid prolonged submersion.

Q: Can I use it for items other than keys?

A: Yes. It works well to identify backpacks, luggage, tactical pouches, or equipment. The size and ring make it versatile for multiple uses.

Q: Is this an official army product?

A: Yes. This keychain is sold under an official commercial license, which supports its authenticity and licensed design.

Q: What are the exact dimensions?

A: The keychain measures 13.5 cm in length and 2.5 cm in width. Those dimensions make it easy to spot without being cumbersome.

Q: Is it a good gift for military enthusiasts?

A: Yes. Its licensed design and durable build make it a suitable, meaningful gift for collectors, veterans, or anyone interested in military surplus and tactical gear.

Q: What materials is the keychain made from and how durable is it?

A: The keychain features embroidered fabric and a metal split ring built for regular use. With basic care it should remain durable for everyday duty and tactical applications.

Tip: Choose the color or variant that fits your kit and check related tactical and military surplus accessories to complete your setup. Consider the size and attachment style that best matches your keys or gear before adding to cart.
