Product overview

The Scudetto Centro Addestramento Alpino is a plastic identification patch with a Velcro backing, designed for members, collectors, and anyone who wants to display affiliation with the Centro Addestramento Alpino. It is suitable for uniforms, backpacks and kit used in tactical, military

surplus, duty or police contexts.

Definition: a durable plastic patch on khaki backing, printed with the Centro Addestramento Alpino emblem and fitted with rear Velcro for quick attachment.

Main features

Clean design and practical construction make this patch easy to wear and recognize on field gear and uniforms.

- **Distinctive design:** Blue background with a black-edged badge showing a white-and-black mountain profile plus ski and ice-axe symbols.
- **Clear identity:** Crescent text "CE.ADD.ALPINO" above the mountain profile for immediate recognition.
- **Durable material:** Made from sturdy plastic mounted on khaki backing for outdoor use.
- **Velcro rear:** Hook-and-loop backing allows fast, secure attachment without sewing or pins.
- **Visible size:** Measures 6 cm wide × 7.5 cm high for good visibility on uniforms and packs.
- **Suitable uses:** Designed for alpine training contexts but also fits tactical and duty gear from military surplus or police collections.

How to use / When it’s useful

Quick answer: Peel-and-stick style attachment — press the patch onto the matching loop field on your uniform, jacket, or pack for immediate use. If no loop field is present, attach a loop panel first.

In most cases, use it to identify members of alpine training units, mark personal gear, or add authentic details to tactical and military surplus equipment. The patch is also useful for collectors and display on duty or police-style kit.

Care and notes

Routine care keeps the patch visible and the Velcro functioning; avoid harsh solvents and excessive heat.

- Clean with a damp cloth and mild soap; rinse and air dry.
- Do not expose to open flame or extreme heat to avoid deforming the plastic.
- Ensure the loop surface is clean and flat before applying for best adhesion.
- Store flat to prevent bending or creasing of the khaki backing.

FAQ

Q: What are the measurements of the patch?

A: The patch measures 6 cm in width and 7.5 cm in height, suitable for most uniform pockets and backpack panels.

Q: What material is the Scudetto Centro Addestramento Alpino made from?

A: It is made from durable plastic mounted on a khaki cloth backing, designed for outdoor and training use.

Q: How is the patch attached?

A: The patch has a Velcro (hook) rear for quick and secure attachment to loop panels on uniforms, jackets, or bags.

Q: Can it be used on any uniform?

A: Yes, provided the uniform or gear has a Velcro loop field. If not, add a loop panel to attach the patch.

Q: Is the patch suitable for alpine conditions?

A: The patch is made from resistant materials intended for outdoor use, but avoid prolonged exposure to extreme heat or open flame.

Q: Is this item always in stock?

A: Stock can be limited due to demand. If availability is important, add the item to your cart or check stock status before completing your order.

Tip: Choose the correct placement and check your garment for a compatible loop panel before purchase; consider browsing related tactical and military surplus patches to match your gear or uniform style.
