Product features:

Product short description:

The Distintivo Metallo Controllore Spazio Aereo is a metal badge that honors the precision and commitment of airspace controllers. Suitable for air traffic professionals, uniformed personnel, and aviation enthusiasts, it can be worn on a uniform or kept as part of a collection.

- **Material:** Metal construction made with high-quality materials.
- **Use:** Wear on uniforms or display as a collector’s item.
- **Design:** Elegant, detailed motif reflecting airspace control duties.
- **Suitability:** Ideal for professionals in the field and aviation enthusiasts.
- **Symbol:** A respectful tribute to the dedication of air traffic controllers.
