Product short description:

The Tubolarino Sergente Maggiore EI is a tubular rank insignia for the Esercito Italiano, ideal for completing uniforms, for collectors, reenactors and service members who want an authentic, service-style appearance.

- **Material:** Made from high-quality materials to provide durability and long life.
- **Use:** Designed to complete uniforms, jackets or display mounts with a professional look.
- **Fit:** Tubular shape suits standard sleeve or cuff placement and is simple to position for correct alignment.
- **Appearance:** Precise detailing conveys the tradition and honor associated with military service.
