Product overview

The Aeronautica Militare Blue Belt is a military belt designed for members of the Italian Air Force (Aeronautica Militare) and authorized collectors. It is a service-style duty belt made from durable blue fabric with a metal buckle bearing the Air Force emblem. Simple definition: a 120 cm, 3 cm

high fabric belt with a sandblasted silver buckle and a raised aquila turrita in gold metal.

This belt combines a sober, formal look with practical features for duty or ceremonial wear. It suits uniform use, ceremonial occasions and smart-casual outfits where a military or tactical belt appearance is required.

Main features

Key technical and visual details that define the belt:

- **Length:** 120 cm
- **Height:** 3 cm
- **Material:** Heavy-duty blue fabric
- **Buckle:** Sandblasted silver-finish metal plate with raised aquila turrita in gold metal
- **Closure:** Slider closure for precise adjustment and secure hold
- **Availability:** Reserved to Aeronautica Militare personnel and authorized collectors (purchase requirements apply)

How to use / When it’s useful

Quick answer: wear it as a duty belt with uniform or as a refined military-style accessory for formal events. The slider closure lets you set the exact fit needed for uniforms or everyday wear.

In most cases, the belt is used by service members during duty, parade or official dress; authorized collectors may keep it as a historical or display item. It also works well as a tactical-style belt for dress or light duty where a neat, stable fit is needed.

Care and notes

Basic care keeps the belt looking and functioning well without special treatments.

- Spot clean fabric with mild soap and water; avoid soaking the metal buckle.
- Dry thoroughly before storage to prevent corrosion of metal parts.
- Do not machine wash or bleach to preserve color and materials.
- Sale is restricted: buyers must provide identification or required licenses as part of the purchase process.

FAQ

Q: Who can buy the Aeronautica Militare Blue Belt?
