Product overview

The Multi-Use Cordura Pouch in black is a compact, durable pouch for everyday carry, travel, tactical use, and duty or police work. It is designed for anyone who needs a small, reliable organizer that can be worn on a belt or kept inside a bag.

Definition: A small multi-use pouch made of black Cordura with a waxed inner layer, one main compartment and a front bellows pocket.

Main features

Built for durability and practical organization, suitable for tactical, military surplus, duty and everyday carry needs.

- **High-quality material:** Made from black Cordura for long-lasting wear resistance.
- **Waxed inner layer:** Internal waxed lining offers added protection against moisture.
- **Main compartment:** One roomy internal compartment for essential items.
- **Front bellows pocket:** Extra space for small items with easy access.
- **Velcro closure:** Fast, secure closure for quick access.
- **Rear belt loop:** Rear pass-through loop for wearing the pouch on a belt.
- **Compact size:** 10.5 cm width x 12.5 cm height x 3.5 cm depth.

How to use / When it’s useful

Use the pouch to carry a phone, wallet, keys, small tools, documents or other daily essentials while keeping hands free. Quick answer: attach it to your belt or place it inside a larger bag to keep items organized and within reach.

In most cases, the pouch is ideal for commuting, travel, outdoor activities, and light-duty tactical or police use where compact storage is needed. Check fit for larger items before relying on it for specific duty gear.

Care and notes

Simple care keeps the pouch functional and extends its life.

- Wipe clean with a damp cloth; allow to air dry.
- Avoid machine washing or soaking to preserve the waxed inner layer.
- Keep Velcro fastened when not in use to reduce wear and prevent lint buildup.
- Do not overload; the belt loop is designed for everyday carry, not heavy loads.

FAQ

Q: Is the pouch waterproof?

A: The waxed inner layer provides good protection against moisture, but the pouch is not fully waterproof. Avoid prolonged exposure to heavy rain or immersion.

Q: What are the exact dimensions?

A: The pouch measures 10.5 cm width x 12.5 cm height x 3.5 cm depth. It is compact but roomy enough for small essentials.

Q: Can I wear it on my belt?

A: Yes. The pouch has a rear belt loop that allows it to be worn on most belts for hands-free carry.

Q: How many compartments does it have?

A: It has one main internal compartment plus a front bellows pocket for additional, quick-access storage.

Q: Is the Velcro closure secure?

A: The Velcro provides quick and secure closure for everyday use. Keep the hook-and-loop surfaces clean to maintain performance over time.

Q: Is this suitable for tactical or duty use?

A: The pouch is suitable for light-duty tactical, police, or everyday carry tasks where compact storage is needed. Confirm the pouch size and attachment method meet your specific operational requirements.

Tip: Choose the right size for your essentials and check belt compatibility before purchase; consider browsing related tactical pouches and belt accessories to complete your setup.
