Product short description:

The Scudetto Ricamato San Marco is an embroidered shield patch featuring the winged lion of San Marco. Crafted for those who appreciate traditional motifs and refined accessories, it enhances jackets, backpacks and hats with a touch of Italian heritage.

- **Material:** Embroidered textile with detailed stitching and vivid colors.
- **Use:** Ideal for jackets, backpacks, hats and other garments or gear.
- **Design:** Winged lion motif symbolizing strength and nobility, executed with artisanal skill.
- **Style:** Adds historical character and understated elegance to everyday wear.

Product description:

Product overview

The **Scudetto Ricamato San Marco** is an embroidered patch that represents the Reggimento San Marco, made for collectors, military surplus buyers, and users of tactical or duty gear. It suits uniforms, backpacks, caps and other compatible equipment.

Definition: an embroidered patch with a Velcro rear fastening showing the winged lion of San Marco and the motto "PER MAREM PER TERRAM." The patch measures 7.5 cm and is available in high-visibility and low-visibility versions.

Main features

Clear emblem detail and durable construction designed for field use, display, or collection.

- **Recognisable design:** Winged lion of San Marco between laurel fronds on a red background, with the book, crowned turret and the motto beneath.
- **Durable materials:** Embroidered with resilient threads and backing for long wear.
- **Velcro rear fastening:** Easy to attach and remove on compatible hook-and-loop surfaces.
- **High and low visibility:** Two variants available to suit tactical, duty or casual use.
- **Size:** 7.5 cm diameter, suitable for uniforms, rucksacks and tactical vests.

How to use / When it’s useful

Quick answer: attach the patch to any compatible hook-and-loop surface by pressing the Velcro backing firmly into place. It is ideal for identification, personalization, or as a collector’s item.

In most cases, use it on uniform sleeves, chest panels, backpacks, hats or tactical gear where a loop surface is present. For storage or cleaning, remove the patch when possible to extend its life and protect the garment or equipment.

Care and notes

Basic care and practical notes to keep the patch in good condition.

- Wipe clean with a damp cloth; avoid aggressive chemicals.
- Avoid direct heat or ironing the patch surface.
- Ensure the receiving surface has hook-and-loop material for secure attachment.
- Limited stock available; check variant choice (high or low visibility) before ordering.

FAQ

Q: What are the dimensions of the Scudetto Ricamato San Marco?

A: The patch measures 7.5 cm. This size is suitable for uniforms, backpacks and caps.

Q: Is the Velcro rear fastening durable?

A: The rear Velcro is made to provide a secure hold on compatible hook-and-loop surfaces. As with all fastenings, its lifespan depends on use and care.

Q: Are there different visibility options?

A: Yes. The patch is available in high-visibility and low-visibility formats to match tactical needs or display preferences.

Q: What materials are used to make the patch?

A: The patch is embroidered with durable threads on a robust backing designed for long-term wear. Exact fabric types are not specified in this listing.

Q: Can I apply it to any surface?

A: It attaches to surfaces with compatible hook-and-loop (loop) material. It will not stick to smooth fabrics or items without a loop panel unless you add a compatible backing.

Q: Is this an official military-issued patch?

A: This listing describes an embroidered representation of the Reggimento San Marco. The product description does not state whether it is an item officially issued by the military.

Tip: Choose the visibility variant that fits your use (high-visibility for display or low-visibility for tactical use). Check the 7.5 cm size before ordering and consider browsing related tactical patches and military surplus items to complete your kit.
