Product overview

Travette Ufficiale Inferiore Carabinieri are a pair of insignia tabs made for the gala jacket of the

Ufficiale Inferiore of the Arma dei Carabinieri. They are intended for officers who need a precise, professional look on formal duty and police ceremonial occasions.

Definition: Travette are rectangular fabric rank tabs (52 x 34 mm) with a 3 mm silver canutiglia embroidered border and a gold metal Arma dei Carabinieri fregio (granata with flame). These travel-ready items suit military surplus, tactical dress, and duty uniform use where formal appearance matters.

Main features

Key specifications and benefits at a glance.

- **High-quality materials:** Durable fabric with a 3 mm silver canutiglia embroidered border for a refined finish.
- **Exact dimensions:** Each tab measures 52 x 34 mm, supplied as a pair for correct presentation on the gala jacket.
- **Metal fregio included:** Gold metal Arma dei Carabinieri badge (granata with spiral and flame) included for attachment.
- **Designed for easy attachment:** Fits standard passanti portadistintivi on the gala uniform jacket.
- **Correct orientation:** Base of the fregio faces forward for the wearer and the flame folds outward from the wearer’s centerline.

How to use / When it’s useful

Quick answer: Attach each tab to the passanti portadistintivi on the gala jacket and mount the gold fregio on top as shown by the orientation rules. These travette are made specifically for formal occasions and ceremonial duty within the Arma dei Carabinieri.

In most cases, these travette are used on the gala uniform of Ufficiale Inferiore to maintain a consistent, professional appearance. They are not intended as general-purpose patches for other uniform types; follow the orientation rule so the fregio base faces forward and the flame points outward.

Care and notes

Simple care instructions and important notes to preserve appearance and correct use.

- Handle by the fabric edges to avoid damaging the silver canutiglia embroidery.
- Attach and remove the metal fregio carefully to avoid scratching the gold finish.
- Store dry and flat to maintain shape and prevent creasing.
- Intended for gala uniform use of Ufficiale Inferiore; check placement and orientation before final attachment.

FAQ

Q: What are the exact dimensions of the travette?

A: Each travetta measures 52 x 34 mm with a 3 mm silver canutiglia embroidered border. They are sold as a pair for left and right placement.

Q: How do I apply the travette to the uniform?

A: Slide each travetta onto the passanti portadistintivi of the gala jacket, then attach the gold metal fregio on top. Ensure the base faces forward for the wearer.

Q: Is the Arma dei Carabinieri fregio included?

A: Yes. The gold metal fregio (granata with spiral and flame) is included and must be applied on the passanti portadistivi as described.

Q: Are these travette suitable for all Carabinieri uniforms?

A: These travette are specifically designed for the gala uniform of Ufficiale Inferiore. They may not be suitable for other uniform types or ranks.

Q: How should I care for the travette to keep them looking their best?

A: Store them flat and dry, handle the embroidery carefully, and attach/remove the metal badge gently to avoid scratches or wear.

Q: Is the product always in stock?

A: Availability can be limited due to demand. If you need these for an upcoming ceremony, we recommend ordering as soon as possible to ensure supply.

Tip: Choose the correct pair for the Ufficiale Inferiore gala jacket and check fregio orientation before final fitting. Browse related rank tabs and uniform accessories to complete your formal duty kit.
