Product features:

Product short description:

A five-point silver-toned military star with a knurled surface and a red border, precision-crafted for collectors, uniform trims and decorative displays. It combines traditional symbolism with contemporary styling to add a distinguished touch to any item.

- **Material:** Silver-toned knurled surface that catches the light.
- **Use:** Suitable for decorations, collections, uniform embellishment or as a recognition badge.
- **Design:** Five-point star with a vibrant red border for clear contrast.
- **Durability:** Robust construction for lasting display and wear.
