Product overview

The Helicopter Pilot Metal Badge is a gold-tone metal pin designed for helicopter pilots, aviation collectors, and anyone who wants a professional pilot insignia on uniforms or casual wear. It features a roundel with a light-blue background, a central turreted gold crown, and four wings

(two per side) extending from the center.

Definition: a metal pilot badge with a rear pin fastening that identifies the wearer as a helicopter pilot or serves as a collectible aviation emblem. Suitable for tactical, military surplus, and duty/police gear collections.

Main features

Compact, well-made, and easy to attach—this badge blends classic pilot styling with practical construction.

- **High-quality material:** Gold-tone metal for durability and a professional appearance.
- **Distinctive design:** Four wings radiating from a roundel with a light-blue background and a central turreted gold crown.
- **Rear pin fastening:** Secure pin attachment for easy application and removal.
- **Dimensions:** 26 mm height x 60 mm width—sized to fit uniforms and casual garments.
- **Limited quantities:** Produced in small runs; availability may be restricted.
- **Use cases:** Ideal for pilots, collectors, and aviation enthusiasts.

How to use / When it’s useful

Quick answer: Attach the badge with the rear pin to a lapel, uniform, flight jacket, or display board. It works both as a wearable insignia and as a collectible display piece.

In most cases, wear it on the left chest or lapel where pilot insignia are typically placed; collectors can mount it in a display case or on a board. It is useful for formal duty use, casual aviation wear, or as a thoughtful gift for aviation and tactical gear collectors.

Care and notes

Basic care keeps the badge looking its best and avoids damage to clothing and finishes.

- Avoid abrasive cleaners; wipe gently with a soft, dry cloth.
- Remove the badge before machine washing garments to prevent fabric damage and pin loss.
- Store in a dry place to limit tarnish or discoloration over time.
- Handle the pin backing carefully to avoid bending or loosening the fastener.

FAQ

Q: What are the badge dimensions?

A: The badge measures 26 mm in height and 60 mm in width. These compact dimensions suit uniforms and casual wear.

Q: What material is the badge made of?

A: It is made of gold-tone metal. The finish provides a professional look while offering durability for regular wear or display.

Q: How is the badge attached?

A: The badge uses a rear pin fastening for secure attachment and straightforward removal. Check the pin backing before wear to ensure it is fastened tight.

Q: Can I wear this on a uniform?

A: Yes. The size and design are suitable for uniforms, flight jackets, and casual garments. Follow your organization’s uniform rules if applicable.

Q: Is the badge an official military or service-issued item?

A: This product is a decorative metal badge. It is described as a pilot insignia but is not presented as an official issued item unless specified by the seller.

Q: Is the badge available in large quantities?

A: No. It is produced in limited quantities, so availability can be restricted. Consider purchasing sooner if you want to secure one.

Tip: Check the badge dimensions and your uniform or display space before ordering, and browse related tactical, military surplus, and pilot insignia items to find matching pieces. Shopping early helps secure limited-stock items without rush.
