How to use / When it’s useful

Quick answer: Attach the dragona to the sabre as part of a maresciallo's dress kit for parades, official ceremonies and formal inspections. In most cases, it is fitted to the sabre’s suspension

point and hangs alongside the scabbard.

Use it whenever a formal appearance is required — for duty, state occasions or regiment events. The dragona also suits collectors and military surplus buyers looking for authentic uniform accoutrements.

Care and notes

Simple care keeps the dragona looking correct for formal use and display:
