Product overview

This Mayor’s Sash for the Youth Municipal Council is a ceremonial tricolour sash made for elected young mayors and council representatives. It is designed to give young leaders an institutional appearance during civic events, school councils, and local ceremonies.

Definition: a made-to-measure ceremonial sash in the Italian tricolour (green, white, red) with the Republic's emblems. Suitable for civic and educational use and commonly offered by ceremonial, tactical and military surplus suppliers for formal duty and public events.

Main features

Clear, institutional design with custom sizing for youth use.

- **Tricolour design** — three bands in green, white and red, following the Italian flag pattern.
- **Width** — 12 cm for good visibility and correct institutional proportions.
- **Official emblems** — appliqued Republic of Italy coats of arms for an authoritative, formal look.
- **Tubolarino closure** — a small tubular loop to secure the sash comfortably at the hip.
- **Two tails with gold fringe** — traditional decorative detail matching adult mayoral sashes.
- **Made to measure** — sized according to the young mayor's stature and the shoulder-to-hip measurement.
- **Production time** — manufacture and finishing typically require 20–30 days from order.

How to use / When it's useful

Use the sash for official youth council meetings, public ceremonies, school events and formal presentations where a representative appearance is needed. It signals civic responsibility and helps young participants practice public service roles.

Quick answer: wear it across the torso from shoulder to hip and secure it with the tubolarino at the waist. In most cases, you should order a made-to-measure sash using the shoulder-to-hip measurement so the fit is proportional and comfortable for the young wearer.

Care and notes

Basic guidance to keep the sash in good condition and compliant with its institutional use.

- Check measurements carefully before ordering — the sash is made to measure for youth proportions.
- Production time is 20–30 days; order in advance for planned events.
- The color scheme is fixed to the Italian tricolour (no other color variants available).
- Store flat or hung in a protected place to preserve the fringe and emblems.

A: Yes. Each sash is made to measure based on the young mayor’s stature and the distance from shoulder to hip to ensure correct fit and proportion.

Q: How long does production take?

A: Standard production and finishing time is 20–30 days from the order date. Plan ahead for ceremonies or presentations.
