- **Use:** Suited to craft studios, workshops and children's rooms.
- **Design:** Compact, space-saving layout keeps ribbons visible and within reach.
- **Fit:** Easy to place on shelves or worktables; ideal for DIY enthusiasts and professionals.

## Product description:

## Product overview

The **Porta Nastrini a 15 Posti** is a metal ribbon holder designed for people who need neat, quick access to service or display ribbons—ideal for military, police, uniform shops, collectors and hobbyists. Definition: a ribbon holder is a metal rack that stores and displays service ribbons in order.

This sturdy, compact unit holds up to fifteen 37 mm ribbons and is available with a rear clip (morsetti) or a screw mount. The metal construction is treated to resist rust for longer service life.

### Main features

Practical features that keep ribbons organized, visible and easy to handle.

- **Durable metal construction:** built to last for regular use in tactical, military surplus or police environments.
- **Holds 15 ribbons:** capacity for up to fifteen 37 mm format ribbons.
- **Mounting options:** choose rear clips (morsetti) or screws depending on how you want to fit it.
- **Pre-cut insertion holes:** quick access and orderly placement of each ribbon.
- **Compact, low-profile design:** saves space on a workbench, in a display case or on a wall panel.
- **Rust-resistant finish:** treated metal to help prevent corrosion.

### How to use / When it's useful

Quick answer: use the Porta Nastrini a 15 Posti to store, display or prepare ribbons so they are easy to find and apply. Install it where you prepare uniforms, in a display area, or in a storage room.

In most cases, mount the unit with the clip version for removable attachment to thin panels or gear boards, or choose the screw version for a permanent wall fit. The holder is especially useful for uniform preparation, retail display in military surplus or police equipment stores, and collectors who want tidy storage.

### Care and notes

Simple care keeps the holder functional and looking good.

- Confirm your ribbons are 37 mm format for proper fit.
- If you choose the screw version, the screws are supplied; choose clips for removable mounting.
- Clean with a damp cloth and mild detergent; avoid strong solvents that could damage the finish.
- Limited stock may apply—select the correct mounting option from the product dropdown.

### FAQ

**Q:** What are the exact dimensions of the Porta Nastrini a 15 Posti?

**A:** Exact product dimensions and technical details are listed on the product technical sheet

available on the product page.

**Q:** Can I mount the holder on a wall?

**A:** Yes. The screw version is designed for fixed wall mounting (screws supplied), while the clip version allows removable attachment where clips are suitable.

**Q:** Will my ribbons fit this holder?

**A:** The holder is designed for 37 mm format ribbons. Verify your ribbons are 37 mm to ensure proper compatibility.

**Q:** Is the product rust resistant?

**A:** The metal is treated to help prevent rust and extend service life under normal indoor use.

**Q:** Are other colors available?

**A:** Currently the holder is offered in the standard metallic finish. Check the product page for any future updates or new versions.

**Q:** How do I decide between clip and screw mounting?

**A:** Choose clips for removable or temporary mounting on thin panels; choose screws for permanent wall installation. Use the dropdown menu to select the variant before adding to cart.

**Tip:** Before ordering, confirm your ribbons are 37 mm and select the clip or screw variant that fits your mounting needs. Browse related tactical, military surplus and police display items to complete your setup.
