Product overview

Cinturino Militare Esercito Kaki 3 cm. is a khaki military belt designed for soldiers and tactical users who need a durable, adjustable duty belt for uniform use. Definition: a 3 cm-wide, 140 cm-long khaki cotton-fiber belt with a metal adjustment buckle, made for daily military and tactical wear.

Built for practical use with uniforms, combat gear and everyday duty clothing, this belt combines

straightforward design with military identity, including a silver metal pluriarma buckle marked with the symbol of the Esercito Italiano.

Main features

Key characteristics at a glance:

- **Material:** high-strength khaki cotton fiber for lasting durability.
- **Size:** width 3 cm, length 140 cm — adjustable to fit most waist sizes.
- **Adjustment:** quick and precise length clamp for secure fit.
- **Buckle:** silver metal pluriarma buckle stamped with the Esercito Italiano symbol.
- **Use:** suitable for uniform, combat, duty and casual tactical wear (military surplus and police applications).

How to use / When it’s useful

Quick answer: wear it like any standard belt — thread through belt loops, set the length with the clamp, and secure the buckle. The clamp allows fast adjustments on the move.

In most cases, this belt is used with combat uniforms, service dress, or as a practical tactical/duty belt for police and military surplus collectors. It is also appropriate for everyday workwear when a sturdy, no-frills belt is required.

Care and notes

Simple care keeps the belt functional and presentable:

- Hand wash or gentle machine wash in cold water; avoid bleach and harsh detergents.
- Air dry flat; avoid high heat to prevent shrinkage or damage to the buckle.
- Check the adjustment clamp and buckle regularly for wear and secure fastening.
- Limited availability—stock may run low due to demand from military and tactical users.
