Product short description:

Padded under-belt insert in olive green that adds comfort and improves fit for anyone wearing heavy belts. Ideal for outdoor use, hiking, and daily wear when extra support and reduced pressure are needed.

- **Material:** Made from quality fabrics and padding to provide durable support without adding bulk.
- **Use:** Reduces pressure from a heavy belt and improves comfort during prolonged wear.
- **Fit:** Ergonomic shape conforms to the body, maintaining freedom of movement.
- **Color:** Olive green for a sober, discreet look that pairs well with tactical gear.

Product description:

Product overview

The Olive Green Under-Belt Pad is a padded accessory for tactical and military-style belts, designed for law enforcement, security personnel, and outdoor professionals who wear duty belts for long periods. Definition: a cushioned under-belt pad that improves comfort and stabilizes a

belt system.

It reduces pressure on hips and lower back, fits common duty and tactical belts, and pairs well with other military surplus and police gear for a coordinated setup.

Main features

Compact, adjustable and practical for everyday duty or field use.

- **Universal fit:** Compatible with belts 3.8 to 5 cm wide.
- **Two rows of modular attachments:** Allows quick customization and accessory placement.
- **Velcro side panels:** Secure attachment for an inner belt and added stability.
- **Four D-rings:** Additional anchor points for harnesses or tethers.
- **Size M adjustable length:** 91.44–101.6 cm for a tailored fit.
- **Olive green finish:** Matches standard military and tactical color schemes.

How to use / When it’s useful

Quick answer: slide the pad under your belt and attach the inner belt to the velcro panels, then adjust the length for a comfortable fit. The modular rows let you add or reposition accessories without removing the pad.

In most cases, this pad is useful during long patrols, training sessions, or any situation where a heavy belt causes pressure on your hips or back. It works with tactical, duty, police, and military surplus belts to improve comfort and stability.

Care and notes

Simple care keeps the pad functional and long-lasting.

- Check belt width before purchase to ensure 3.8–5 cm compatibility.
- Fasten velcro and modular attachments before washing; spot clean with mild soap and water.
- Inspect D-rings regularly for secure attachment if used with harnesses.
- Availability may be limited; choose the correct size when ordering.

FAQ

Q: Which belt widths does this pad fit?

A: It fits belts with a width of 3.8 to 5 cm. Measure your belt to confirm compatibility before ordering.

Q: How do I attach it to my belt?

A: Use the side velcro panels to secure an inner belt, then position the pad under your belt and fasten the modular attachments as needed.

Q: What is the adjustable length for size M?

A: The M size adjusts from 91.44 to 101.6 cm to accommodate different waist sizes and belt setups.

Q: Are the D-rings strong enough for harness attachments?

A: The four D-rings provide extra anchor points for harnesses or tethers; inspect connections regularly to ensure secure attachment.

Q: Will the olive green color match other gear?

A: Yes, the olive green is chosen to blend with common military, tactical, and police equipment for a coordinated look.

Q: How should I clean the pad?

A: Spot clean with mild soap and water; secure velcro and attachments before cleaning and allow to air dry completely.

Tip: Choose the correct size variant and confirm belt width before adding to cart. Browse related tactical and military surplus accessories to complete your duty or police belt setup.
