- **Use:** For display, uniform wear where authorized, or as part of a collection

Product description:

Product overview

The Brevetto Specialista Militare di Elicottero is a metal military badge for helicopter specialist pilots, designed for service uniforms, collectors, and military surplus buyers. It identifies personnel who have completed advanced helicopter training and is suitable for use on duty uniforms, tactical jackets, and display collections.

Definition: a metal helicopter specialist brevet badge that symbolizes training, rank, and service.

This badge measures 6 cm in width and 2.6 cm in height and is made from high-quality metal with a rear clamp attachment.

Main features

Clean, traditional design and practical construction make this badge a durable and recognizable insignia for military, tactical, and duty use.

- Material: high-quality metal construction for long-lasting wear.
- Design: silver four-blade rotor motif radiating from a central roundel with a silver turreted crown on a blue background.
- Size: 6 cm wide × 2.6 cm high — suitable for uniforms and clothing.
- Attachment: secure rear clamp for straightforward fitting on fabric.
- Symbolism: represents advanced helicopter training and operational roles such as tactical support, medical evacuation, and logistics.

How to use / When it’s useful

Quick answer: wear the badge on the uniform or display it in a collection to show qualification and service. Use on the breast pocket, jacket lapel, or sewn display board according to your uniform regulations or personal preference.

In most cases, pilots, veterans, collectors, and military surplus shoppers choose this badge to mark helicopter specialist status or as a historic insignia. It is particularly useful for ceremonial dress, reenactment gear, or as part of a duty/tactical kit.

Care and notes

Basic care keeps the metal looking its best and ensures the clamp attachment remains secure.

- Store in a dry place to avoid tarnish and moisture damage.
- Wipe with a soft cloth; avoid strong chemicals or abrasive cleaners.
- Check the clamp before use to ensure a firm fit on uniforms or display fabrics.
- Verify authenticity and condition when purchasing from military surplus sources.

FAQ

Q: What are the badge dimensions?

A: The badge measures 6 cm in width and 2.6 cm in height, sized for standard uniform placement and display cases.

Q: What material is the badge made of?

A: It is made from high-quality metal with a colored background and silver-toned details to ensure durability and a professional appearance.

Q: How is the badge attached to clothing?

A: The badge features a rear clamp attachment for secure and easy fitting on uniforms, jackets, or display boards.

Q: Is this badge authentic military issue?

A: This badge represents the Brevetto Specialista Militare di Elicottero design. When buying, verify authenticity and condition with the seller, especially for collector or duty use.

Q: What shipping and delivery should I expect?

A: Shipping times vary by destination. Sellers typically provide estimated delivery windows—check the seller’s shipping options and timelines before purchase.

Q: Can I return the badge if I’m not satisfied?

A: Return policies depend on the seller. Confirm the seller’s return and refund terms before buying to ensure satisfaction and possible returns.

Tip: Choose the correct placement and check the clamp fit before finalizing; consider browsing related military and tactical insignia to match uniform or collection needs.
