How to use / When it’s useful

Quick answer: hang the portrait in any official or professional environment where an institutional portrait is required, such as municipal offices, police stations, or company reception areas. The framed format makes it ready to mount on a wall.

In most cases, place the portrait at eye level in a dry, indoor location away from direct sunlight and moisture. Use appropriate wall fittings for framed glass items and ensure stable mounting in duty rooms, reception areas, or meeting halls.

Care and notes

Basic care and important notes to preserve the portrait’s appearance:

- Handle with care: the glass is fragile—avoid dropping or strong impacts.
- Indoor use only: protect from humidity and direct sunlight to prevent damage.
- Cleaning: dust with a soft, dry cloth; avoid abrasive cleaners on the glass and frame.
- Caption is standard and non-customizable: reads “Sergio Mattarella Presidente della Repubblica”.
- Allow up to 20 days for restock and delivery after placing the order.
