Product short description:

Compact foldable field cutlery set for outdoor use — ideal for camping, hiking and picnics. Designed for users who need a lightweight, easy-to-carry full set of utensils for meals in the field.

- **Material:** Durable stainless steel construction for each utensil.
- **Contents:** Fork, knife and spoon, all foldable for space-saving transport.
- **Case:** Green nylon pouch, robust and compact to protect and carry the set.
- **Use:** Practical for camping, backpacking, day hikes and outdoor meals; easy to store and clean.

Product description:

Product overview

The Foldable Field Cutlery Set with Green Nylon Case is a compact three-piece utensil kit designed for campers, hikers, picnickers, and anyone who needs lightweight, portable dining

tools for outdoor, tactical, or everyday duty. It is a practical option for outdoor enthusiasts and for inclusion in tactical or military surplus kits.

Definition: A foldable stainless-steel fork, knife and spoon in a green nylon case with a rear belt loop, made for transport and easy use outdoors.

Main features

Compact, durable cutlery built for easy packing and everyday outdoor use.

- **Complete set:** Fork, knife and spoon, each foldable and closable for safe storage.
- **Durable materials:** Stainless-steel utensils with polymer handles for a secure grip.
- **Size:** 20 cm when open, 11 cm when closed.
- **Case:** Green nylon pouch, 11.5 H x 6.5 L x 2 cm, with a rear belt loop for carry.
- **Lightweight:** Total weight 160 g — easy to carry in rucksacks or duty belts.

How to use / When it’s useful

Use the set wherever you need compact, reusable cutlery: campsite meals, trail lunches, patrol breaks, or picnics. Unfold each utensil before use and fold it closed for storage in the nylon case after cleaning.

Quick answer: unfold the fork, knife or spoon and use like regular cutlery. In most cases, the pouch fits standard belts and stores easily in daypacks, tactical bags or vehicle kits.

Care and notes

Basic care keeps the set functional and looking good during repeated outdoor use.

- Dishwasher safe, but dry thoroughly after washing to avoid water spots.
- Do not leave the set soaking for long periods; dry and store in the pouch when not in use.
- Adult supervision is recommended for children using the knife.
- The rear loop fits most standard belts, but confirm fit if you have a thick or non-standard belt.

FAQ

Q: Are the utensils dishwasher safe?

A: Yes. The stainless-steel utensils can go in the dishwasher. We recommend drying them thoroughly afterward to prevent water marks.

Q: Is the set suitable for children?

A: The set can be used by children, but adult supervision is advised, especially when handling the knife.

Q: Will the belt loop fit my belt?

A: The rear loop is designed to fit most standard belts. If you use a very wide or tactical belt, check the pouch dimensions against your belt width.

Q: Can these utensils rust?

A: The utensils are made from stainless steel, which is resistant to rust. Proper drying and storage will help maintain their condition.

Q: Are other colors available?

A: Currently the set is offered only in green. Additional colors may be added in the future.

Q: What are the exact dimensions and weight?

A: Utensils measure 20 cm open and 11 cm closed. The nylon case is 11.5 H x 6.5 L x 2 cm. Total weight is 160 g.

Tip: Choose the right variant or size for your kit and check belt compatibility before purchase; also browse related camping, tactical and military surplus utensils to complete your outdoor gear setup.
