Product overview

The Fregio Basco Genio Pionieri e Fuori Corpo is a metal beret badge designed for members of the Genio Pionieri e Fuori Corpo, collectors, and anyone assembling duty or tactical uniforms. It

fits standard berets and signals unit affiliation with a traditional emblem.

Definition: A metal, silvered-bronzed beret badge reproducing two crossed axes and a bomb with a reclining flame inside a ring. The badge combines a classic military look with durable construction suitable for military surplus, tactical, and police use.

Main features

Compact, durable and designed for a secure fit on the beret.

- **Distinctive design:** Two crossed axes beneath a bomb with a reclining flame inside a ring, symbolic of the Genio Pionieri e Fuori Corpo.
- **Finish:** Silvered, bronzed metal for a professional, low-glare appearance.
- **Secure attachment:** Rear piccaglia fastener ensures the badge stays in place on the beret.
- **Compact size:** Measures 4 cm height x 1.2 cm width, balanced for daily wear without bulk.
- **Durable build:** Metal construction for long-lasting use in duty, tactical, or display contexts.

How to use / When it’s useful

Quick answer: Attach the badge to your beret using the rear piccaglia fastener; it is intended to mark corps affiliation or for collectors of military surplus items. In most cases, the badge is worn centered on the beret as part of a uniform or display.

This badge is useful for active service members, veterans maintaining uniform standards, collectors of military insignia, and anyone fitting a tactical or police-style beret. Use it daily on a service beret or keep it with collection pieces for display.

Care and notes

Simple care extends the badge’s appearance and secure fit.

- Wipe clean with a soft, dry cloth; avoid harsh chemicals that could affect the finish.
- Check the piccaglia fastener regularly to ensure the badge remains securely attached.
- Store in a dry place to prevent tarnish or damage when not in use.
- Available in limited quantities; consider ordering promptly if you need it for uniform use or a collection.

FAQ

Q: What are the badge dimensions?

A: The badge measures 4 cm in height and 1.2 cm in width, sized to sit neatly on a standard beret.

Q: What material is the badge made from?

A: It is made from silvered, bronzed metal designed for durability and a professional look suitable for duty or display.

Q: How does the badge attach to the beret?

A: The badge uses a rear piccaglia fastener to secure it to the beret. Check the fastener after fitting to ensure a firm hold.

Q: Can I wear this badge daily?

A: Yes. Its compact size and metal construction make it suitable for regular wear on service, tactical, or police-style berets.

Q: Is this badge suitable for collectors?

A: Yes. The traditional design and metal finish make it appropriate for collectors of military surplus and insignia.

Q: Is the badge always in stock?

A: No. Due to limited quantities and steady demand, availability can be restricted. We recommend purchasing promptly if required for a uniform or collection.

Tip: Choose the correct placement and check the piccaglia fastener before regular use. Consider browsing related beret badges and military surplus insignia to complete your uniform or collection.
