- **Material:** Crafted from high-quality materials.
- **Use:** Commemorates service in maritime protection operations.
- **Design:** Elegant motif symbolizing the strength and unity of European naval forces.
- **Ideal for:** Collectors and enthusiasts; suitable for display or as a respectful gift.

Product description:

Product overview

The Medaglia Atalanta European Union Naval Force is a commemorative medal for personnel and collectors connected to EU naval operations off Somalia, first issued after 8 December 2008. It is intended for veterans, service members, and collectors of military or police memorabilia who wish to honor participation in Operation Atalanta.

Definition: the Medaglia Atalanta is a service medal recognizing involvement in the EU Naval Force operation addressing piracy and maritime security near Somalia. The medal reflects the mission’s role in protecting humanitarian shipments and vulnerable shipping under international mandates.

Main features

Well-suited for display, uniform wear where permitted, or as a keepsake, the Medaglia Atalanta is offered in two standard sizes and highlights the mission’s protection and security role.

- **Official name:** Medaglia Atalanta European Union Naval Force.
- **Historical context:** Recognizes service in Operation Atalanta (Somalia), launched 8 December 2008 and extended by the European Council.
- **Sizes:** Available in 37 mm and 20 mm formats to suit lapel display, uniform wear, or collection cases.
- **Symbolism:** Honors protection of World Food Programme shipments, vulnerable shipping, anti-piracy efforts, and fisheries control.
- **Collector appeal:** Suitable for military surplus, tactical, duty, and police memorabilia collectors.
- **Easy ordering:** Choose the preferred size from a dropdown menu during checkout.

How to use / When it’s useful

Wear the medal on appropriate dress or keep it in a display case as a tribute to service. It is useful for veterans marking participation, units preparing displays, or collectors documenting EU naval missions.

Quick answer: choose 37 mm for display and 20 mm for subdued or lapel use. In most cases, select the size that best fits your display or uniform mounting options and confirm any local uniform regulations before wearing.

Care and notes

Treat the medal as a commemorative item: store in a dry place, avoid abrasive cleaners, and handle by the ribbon or edges to preserve finish.

- Keep away from moisture and direct sunlight to avoid tarnish or fading.
- Clean gently with a soft cloth; avoid chemical polishes unless specified by a conservator.
- Check uniform regulations before wearing on official duty—this is a commemorative medal representing service in Operation Atalanta.
- Limited availability: stock can run low due to demand.

FAQ

Q: What sizes are available for the Medaglia Atalanta?

A: The medal is available in two sizes: 37 mm and 20 mm. Choose the larger size for display and the smaller size for lapel or subdued mounting.

Q: How do I order the medal?

A: Select the desired size from the product dropdown menu and add the item to your cart. Follow the standard checkout process for shipping and payment.

Q: What does the medal represent?

A: The Medaglia Atalanta recognizes personnel involved in the EU Naval Force operation off Somalia, which focused on maritime security, anti-piracy, and protection of humanitarian shipments.

Q: Is the medal an official recognition?

A: The medal commemorates service in Operation Atalanta and reflects the mission's authorization under international and EU decisions; confirm official award status with your service administration if required.

Q: Is this item suitable for collectors of military or police memorabilia?

A: Yes. The medal is suitable for collectors of military surplus, tactical, duty, and police items and is appropriate for display or cataloguing.

Q: Are there limits on stock or availability?

A: Yes. Availability is limited and demand can be high. If a size is out of stock, consider selecting the alternate size or checking back for restock.

Tip: Choose the size that best fits your intended use (37 mm for display, 20 mm for lapel) and use the dropdown to select it before adding to cart; also browse related military surplus and tactical memorabilia to complete your collection.
