### Product overview

The Carrier Bag Olive Drab is a compact, durable shoulder or pouch-style bag designed for everyday carry and outdoor use. It is aimed at commuters, hikers, and professionals who need a practical, tactical-style pouch that attaches to other gear.

Definition: A small olive-drab carrier bag with a rear MOLLE attachment for mounting to backpacks, belts, or tactical rigs. It combines simple organization with rugged construction for daily, duty, or military surplus applications.

**Main features**

Practical layout and tactical compatibility make this bag easy to use alone or attached to other equipment.

- **Rear MOLLE attachment:** Securely mounts to backpacks, belts, and compatible gear for versatile carry.
- **Front gusseted pocket:** Velcro closure with a D-ring hook for quick access and secure storage.
- **Two side pockets:** Extra storage for small items and tools.
- **Elastic cord closure:** Keeps contents secure during movement.
- **Compact size:** 18 x 8 x 13 cm — roomy for essentials without bulk.
- **Durable materials:** Built for long-term use in everyday, tactical, and outdoor environments.

**How to use / When it’s useful**

Quick answer: Use it as a standalone day pouch or attach it to a MOLLE-compatible backpack or belt for extra storage. It fits essentials like a phone, wallet, small tool, first-aid items, or snacks.

In most cases, the Carrier Bag Olive Drab is helpful for commuting, gym trips, short hikes, or as an accessory for duty and police gear. Its compact profile and multiple pockets make organizing small items fast and convenient.

**Care and notes**

Keep the bag in good condition with simple care; treat it as water-resistant rather than fully waterproof.

- Wipe clean with a damp cloth and mild soap; avoid harsh chemicals.
- Air dry away from direct heat or prolonged sunlight.
- Do not rely on it for full submersion; it is water-resistant, not fully waterproof.
- Check MOLLE straps and closures periodically to ensure secure attachment.

## FAQ

**Q:** What are the exact dimensions of the Carrier Bag Olive Drab?

**A:** The bag measures 18 x 8 x 13 cm. This compact size holds essentials without adding bulk.

**Q:** Is the bag waterproof?

**A:** The bag is water-resistant but not fully waterproof. It will repel light rain and splashes but is not designed for submersion.

**Q:** Can I attach this bag to a backpack?

**A:** Yes. The rear MOLLE attachment lets you fix the bag to compatible backpacks, belts, and other MOLLE-equipped gear.

**Q:** How many pockets does it have?

**A:** It has one front gusseted pocket with a velcro flap and D-ring, plus two side pockets for additional organization.

**Q:** Is the elastic cord closure secure for active use?

**A:** Yes. The elastic cord closure helps keep contents in place during dynamic activities, but heavy or sharp items should be secured inside pockets.

**Q:** What materials is the bag made from?

**A:** The bag is made from durable, long-lasting fabric suitable for everyday, tactical, and outdoor use. Specific fabric details are not specified.

**Tip:** Choose the Carrier Bag Olive Drab if you need a small, tactical-style pouch for daily carry or as an add-on to backpacks and belts. Consider browsing related tactical pouches and MOLLE accessories to find the best configuration for your gear.
