Product overview

The Beauty Case Militare Vegetato is a compact, organized toiletry bag designed for people on the move — ideal for military personnel, police, tactical operators, and frequent travelers who need quick access to personal items. It combines clear internal organization with a durable, field-ready design.

Definition: the Beauty Case Militare Vegetato is a water-resistant, hanging toiletry case with multiple compartments and an integrated mirror. Built for tactical, military surplus, and duty use, it keeps hygiene and grooming items neatly stored and easy to reach.

Main features

Practical layout and secure closures make this beauty case easy to use in the field or during travel.

- **Organized interior:** Large zippered pocket plus three internal compartments for bottles, toothbrushes, and hygiene items.
- **Zippered pouch for delicate items:** Separate section to protect smaller or fragile items.
- **Integrated mirror:** Built-in mirror for quick checks and grooming on the go.
- **Compact, hangable design:** Opens to 26 x 43 cm and closes to 18 x 26 cm, with a top hook for hanging.
- **Secure clip closure:** Clip fastener keeps the case closed during movement and transport.
- **Water-resistant material:** Resists moisture to protect contents (not guaranteed fully waterproof).

How to use / When it’s useful

Use the case closed for transport and open it flat or hang it by the top hook for easy access to all compartments. The integrated mirror and organized pockets make quick grooming or equipment checks faster during breaks or missions.

Quick answer: hang it for instant access; pack bottles in the larger zip pocket and place small items in the zippered pouch. In most cases, it fits in carry-on luggage and works well for duty

shifts, field work, or short trips.

Care and notes

Simple care keeps the case functional and clean without special tools.

- Clean with a damp cloth and mild soap; avoid bleach and harsh chemicals.
- Do not machine wash — hand-clean only to preserve the material and closures.
- Water-resistant, not fully waterproof — avoid full immersion in water.
- Close the clip before packing to protect internal contents.

FAQ

Q: What are the dimensions of the Beauty Case Militare Vegetato?

A: When open the dimensions are 26 x 43 cm; when closed they are 18 x 26 cm. These sizes suit carry-on luggage and compact packing.

Q: Is the beauty case waterproof?

A: The material is water-resistant and protects against moisture and light splashes. It is not guaranteed to be fully waterproof for immersion.

Q: Can I wash the case?

A: Yes — clean with a damp cloth and neutral soap. Do not machine wash or use strong detergents to avoid damage.

Q: Is the hanging hook durable?

A: The top hook is designed to be robust for normal use and to support the case when full. Avoid hanging from unstable or extremely heavy supports.

Q: Are there separate compartments for liquids and small items?

A: Yes — the case includes a large zippered pocket for bottles and three internal compartments plus a zippered pouch for delicate or small items.

Q: Is this suitable for air travel?

A: Yes — its compact dimensions and secure clip closure make it suitable for carry-on packing and quick access during travel.

Tip: Choose the right variant or size for your needs and check related tactical and travel organizers to build a complete kit; consider browsing matching pouches and duty gear to complement this beauty case.
