Product features:

Product short description:

The Distintivo Metallo Interforze is a metal multi-service badge that denotes pride and membership. Intended for military personnel, collectors and enthusiasts, it pairs sturdy construction with a refined, detailed design that reflects cooperation between different armed forces.

- **Material:** Made from high-quality metal for reliable durability.
- **Design:** Elegant, detailed emblem representing inter-service unity and collaboration.
- **Use:** Wear on uniforms, jackets or caps, or add to a display or collection.
- **Ideal for:** Collectors and those who wish to express pride and dedication.
