How to use / When it’s useful

These mostrine are designed to be worn on dress or service uniforms to identify membership in the Brigata Paracadutisti Folgore, or kept as part of a military collection or display. They work well for ceremonial wear, uniform restoration, and collector presentation.

Quick answer: wear them on the uniform where insignia are normally placed, or store them in a protective display for collections. In most cases, you will need to verify eligibility before purchase—serving personnel by ID, collectors by prefectoral license.

Basic care keeps the enamel and metal finish clean and presentable.

- Wipe with a soft, dry or slightly damp cloth; avoid abrasive cleaners or strong chemicals.

- Sale requires identity verification: serving members must submit a copy of their military ID or indicate their barracks during site registration.
