Product short description:

Mostrine Artiglieria Corazzata are distinctive armored artillery insignia for collectors, historical uniform enthusiasts and re-enactors. Crafted to combine durability and refined style, they add authentic detail to ceremonial or display uniforms.

- **Material:** Made from high-quality materials for strength and lasting appearance.
- **Design:** Accurate styling with fine details that reflect traditional motifs.
- **Use:** Suited for historical uniforms, displays, reenactment and personal collections.
- **Audience:** Ideal for enthusiasts, collectors and anyone preserving artillery heritage.

Product description:

Product overview

These Mostrine Artiglieria Corazzata are a pair of enamelled rank insignia intended for collectors, military history enthusiasts, and tactical surplus buyers. They are decorative, wearable insignia that reproduce the Armored Artillery emblem and suit display, uniforms, or collection use.

Definition: a pair of rectangular, enamelled insignia with a rear clamp attachment, sized 25 x 50 mm. Suitable for military surplus, tactical gear, and duty or police uniform displays.

Main features

Built for display and wear, these insignia balance historical detail and durable construction.

- **Authentic design:** Rectangular badge on a light blue background with a single-point flame edged in yellow, faithful to the Artiglieria Corazzata emblem.
- **Enamel finish:** Smaltate (enamelled) surface for a glossy, long-lasting appearance.
- **Rear clamp attachment:** Secure, easy to fit and remove without permanent mounting tools.
- **Pair format:** Sold as a pair for both shoulders or matching display.
- **Size:** Measures 25 x 50 mm (mm).
- **Limited availability:** Produced in small quantities, sought after by collectors of military surplus and tactical memorabilia.

How to use / When it’s useful

Quick answer: attach the rear clamp to cloth or a display backing; it is intended for uniform display, shows, or collection presentation. The clamp makes fitting and removal straightforward without sewing.

In most cases, these insignia are used on dress uniforms, collector displays, or as part of a historical reproduction. They are also suitable for tactical surplus kits or police/duty memorabilia where authentic appearance is required.

Care and notes

Handle and store the enamelled insignia to keep the finish and clamp mechanism in good condition.

- Store in a dry place to prevent corrosion of the clamp.
- Clean gently with a soft cloth; avoid abrasive cleaners that could damage the enamel.
- Check the clamp before use to ensure it grips the fabric or display backing securely.
- Availability is limited; once stock is gone, restock may be delayed or unavailable.

FAQ

Q: What are the exact dimensions of the insignia?

A: Each insignia measures 25 x 50 mm. They are sized for visibility while remaining compact enough for uniform use or display.

Q: How do I attach the insignia?

A: The insignia use a rear clamp attachment that clips onto fabric or a thin display backing. It is designed for easy fitting and removal without sewing.

Q: What material are the insignia made from?

A: The insignia are enamelled (smaltate) with a metal base and a glossy finish for durability and a neat appearance.

Q: Are there color or variant options available?

A: These insignia are currently offered only with a light blue background and a single-point flame edged in yellow, matching the Artiglieria Corazzata design.

Q: How long does delivery take after ordering?

A: Shipping times can vary, but items are generally dispatched within 5–7 working days from order. Final delivery depends on your chosen shipping option.

Q: Is this a historically accurate reproduction?

A: The design reproduces the traditional emblem of the Artiglieria Corazzata; wording in the listing focuses on appearance and collector value rather than official certification.

Tip: Choose the correct pair and size for your display or uniform needs, and consider browsing related military surplus, tactical, or duty items to complete your set.
