Product short description:

Distintivo Categoria Supporto Logistico Aeronautica is a badge for personnel in aeronautical logistics support. It recognizes dedication and professional service and is suitable for wearing on uniforms or adding to a collection of military insignia.

- **Material:** Made from high-quality materials with a durable finish appropriate for regular wear.
- **Use:** Identifies service in aeronautical logistics support; suitable for active personnel, veterans, and collectors.
- **Design:** Elegant, detailed styling intended to be worn on dress uniforms or preserved as a collectible.
- **Condition:** Supplied ready to wear, with a finish designed to maintain appearance under normal use.

Product description:

Product overview

The Distintivo Categoria Supporto Logistico Aeronautica is a gold-coloured metal category badge intended for members of the Aeronautica Militare involved in logistics support, plus veterans, collectors, and those purchasing military surplus, tactical or duty items. Definition: this is a metal category badge featuring a compass rose between two open wings, with rear clamp attachments for secure fastening.

The badge is designed to signal membership and role within aviation logistics while remaining suitable for uniform wear, display, or collection. It is available in two sizes for jacket or shirt use and is often sought after by police and military surplus buyers.

Main features

Key details at a glance.

- **Distinctive design:** Compass rose in the four cardinal points set between two open wings.
- **Material:** Gold-coloured metal for a durable, classic finish.
- **Attachment:** Rear clamp-style fasteners for a stable hold.
- **Two sizes:** Jacket size 65 mm x 16 mm and shirt size 40 mm x 10 mm (selectable from the dropdown).
- **Recognisable symbol:** Clear visual reference to logistics and orientation roles within the Aeronautica Militare.

How to use / When it’s useful

Use the larger 65 mm x 16 mm badge on jackets or outer garments and the 40 mm x 10 mm version on shirts or lighter uniforms. The clamp attachments make it suitable for formal uniforms, duty wear, or display on a board or case.

Quick answer: choose the jacket format for outer garments and the reduced format for shirts. In most cases, ensure the clamp is fastened securely to avoid shifting or loss during movement.

Care and notes

Basic care keeps the badge presentable and secure during wear or storage.

- Wipe gently with a soft, dry cloth to remove fingerprints and dust.
- Avoid abrasive cleaners or strong chemicals that could affect the finish.
- Check clamps before wearing to ensure a firm grip; adjust gently to prevent fabric wear.
- Store in a dry place to preserve appearance and prevent accidental bending of the fasteners.

FAQ

Q: What sizes are available?

A: Two sizes are offered: jacket size 65 mm x 16 mm and reduced shirt size 40 mm x 10 mm. Select your preferred size from the dropdown menu.

Q: How does the badge attach to clothing?

A: The badge uses rear clamp-style fasteners that provide a stable hold on most garments. Fasten carefully to secure the badge without stressing the fabric.

Q: What material is the badge made from?

A: The badge is made of gold-coloured metal designed for durability and a professional appearance.

Q: Can the badge be customised?

A: The badge is sold in the standard design only, with the compass rose between two open wings. No customisation options are currently available.

Q: How long does shipping take after I order?

A: Shipping times may vary, but the product is generally dispatched within 5–7 working days from the order date.

Q: Is the badge always in stock?

A: Availability can be limited due to demand. If stock is low, the product page will indicate this—ordering promptly will help secure the size you need.

Tip: Choose the correct size for your intended use (jacket or shirt) and check the clamp before wearing. Browse related tactical and military surplus items to complete a display or uniform set.
