- **Use:** Wear on a uniform or display in a collection.
- **Design:** Elegant, detailed motif that pays tribute to tradition and technical skill.
- **Corps:** Represents the Motorizzazione of the Aeronautica Militare.

Product description:

Product overview

The Distintivo Categoria Motorizzazione Aeronautica Militare is a category badge intended for personnel and collectors connected to the Motorization branch of the Aeronautica Militare. It is

suitable for service wear on jackets or shirts and for display in military surplus, tactical, or duty-gear collections.

Definition: this badge shows a central roundel with a steering-wheel symbol framed by two outstretched wings, representing motorization skills within the Aeronautica Militare.

Main features

Compact, professionally styled badge available in two sizes to fit jacket or shirt wear; made from durable materials for long-term use.

- **Recognizable design:** Two open wings framing a central roundel with the steering-wheel symbol.
- **High-quality materials:** Built to retain appearance and form over time.
- **Two sizes:** Large for jacket: 65 mm x 16 mm; Reduced for shirt: 40 mm x 10 mm.
- **Easy selection:** Choose the desired size from the product drop-down menu.
- **Suited for:** Service wear, collectors, military surplus displays, and tactical/duty gear setups.

How to use / When it’s useful

Quick answer: wear the large size on jackets and the reduced size on shirts as appropriate for uniform or display. In most cases, choose the size that matches your intended placement—jacket lapel or shirt pocket area.

This badge is useful for personnel who have served in the Motorization branch, for veterans, and for collectors of military surplus and tactical gear. If you are purchasing for wear, follow your unit or service rules about badge use and placement.

Care and notes

Keep the badge clean and store it in a dry place to preserve finish and detail. Note that availability is limited and the item is intended for those connected to the Motorization category of Aeronautica Militare.

- **Storage:** Store flat and dry to avoid bending or corrosion.
- **Cleaning:** Wipe gently with a soft cloth; avoid abrasive cleaners.
- **Selection:** Verify the correct size (65 mm x 16 mm or 40 mm x 10 mm) before ordering.
- **Availability:** Limited stock; ordering promptly is recommended.
- **Usage note:** Intended for those who have demonstrated competence and dedication in Motorizzazione Aeronautica Militare—follow applicable service regulations for wear.

FAQ

Q: What sizes are available?

A: The badge comes in two formats: large for jacket (65 mm x 16 mm) and reduced for shirt (40 mm x 10 mm). Select the size from the drop-down menu when ordering.

Q: What material is the badge made of?

A: The badge is made from durable, high-quality materials designed to keep its appearance over time. Specific metal finishes may vary by batch.

Q: How do I order the correct format?

A: Choose the desired size using the product drop-down menu on the page, then add the item to your cart to complete checkout.

Q: Who is eligible to wear this badge?

A: The badge is intended for those who have demonstrated competence and dedication in the Motorizzazione of the Aeronautica Militare and for collectors. Follow your service or unit rules regarding official wear.

Q: How long does delivery take?

A: Shipping times can vary, but orders are generally dispatched within a few working days. Exact delivery time depends on your location and shipping option selected.

Q: Is this an official Aeronautica Militare issue?

A: This listing offers the Distintivo Categoria Motorizzazione Aeronautica Militare as described. For questions about official issuance or authorization to wear the badge in uniform, consult your unit or service regulations.

Tip: Choose the size that matches your intended placement (jacket or shirt) and check availability before completing your purchase. Browse related tactical, military surplus, and duty items to complete your uniform or display.
