Product short description:

The Distintivo Categoria Elettronica Aeronautica Militare is a professional badge that recognizes expertise in aeronautical electronics. Made from high-quality materials with an elegant, professional finish, it is designed to be worn with pride on uniforms or work clothing by technicians, engineers and aeronautics enthusiasts.

- **Material:** High-quality construction with a refined finish.
- **Use:** Suitable for attachment to uniforms, workwear or for display.
- **Intended for:** Technicians, engineers and aviation enthusiasts.
- **Recognition:** A tangible symbol of skill, dedication and interest in aeronautical electronic innovation.

Product description:

Product overview

This Aeronautical Electronics Category Badge is a metal service emblem for personnel and collectors connected to Aeronautica Militare and related military, tactical, or duty uniforms. It is

intended for service members, veterans, and enthusiasts who want an accurate badge for jacket or shirt wear.

Definition: a gold-tone metal badge with rear clamp fasteners, available in two sizes for jacket or shirt.

Main features

Compact, durable design with clear symbolism that identifies the Electronics category within Aeronautica Militare.

- **Distinctive design:** A round center with a capital "E" for Elettronica, flanked by two open wings and topped by two lightning bolts.
- **Material:** Gold-tone metal for a durable, formal appearance.
- **Two sizes:** Jacket size 65 mm x 16 mm and shirt size 40 mm x 10 mm.
- **Rear clamp fasteners:** Easy to attach and remove without sewing.
- **Suitable uses:** Intended for uniform display, duty wear, or collectible purposes.

How to use / When it’s useful

Quick answer: attach the badge using the rear clamp fasteners to the jacket or shirt in the appropriate position for your uniform or display. In most cases, choose the jacket size for outerwear and the smaller size for shirts or lighter garments.

The badge is useful for official dress, ceremonial use, or as part of a military surplus collection. It is also practical for daily duty wear when attached securely with the clamps.

Care and notes

Simple care keeps the badge looking its best and prevents loss.

- Wipe with a soft, dry cloth to remove fingerprints and dust.
- Avoid abrasive cleaners or strong chemicals that could affect the finish.
- Check the rear clamp fasteners regularly to ensure the badge is secure.
- Available in limited quantities; consider selecting your preferred size when ordering.

FAQ

Q: What sizes are available?

A: Two sizes are offered: jacket size 65 mm x 16 mm and shirt size 40 mm x 10 mm. Choose based on the garment and placement.

Q: How does the badge attach?

A: The badge uses rear clamp fasteners for quick attachment and removal without sewing. Ensure clamps are tightened to prevent loss.

Q: What material is the badge made of?

A: The badge is made of gold-tone metal designed for durability and a formal appearance. No specific plating or alloy details are claimed.

Q: Can I wear this badge daily?

A: Yes. The badge is suitable for daily duty wear if the clamps are secure and you follow basic care instructions.

Q: Can I order more than one badge?

A: Yes, multiple badges can be purchased. Please order promptly if you need several, as stock can be limited.

Q: Is this item appropriate for collectors?

A: Yes. The badge is often chosen by collectors of military surplus and by those preserving Aeronautica Militare insignia.

Tip: Select the correct size for your jacket or shirt before adding to cart and browse related badges or uniform accessories to complete your display or duty kit.
