Product overview

Distintivo Categoria Commissariato Aeronautica is the category badge for the Commissariat of the Aeronautica Militare, intended for service members and collectors who want an official-looking metal insignia. It is a gold-toned metal badge in two sizes that fits jacket or shirt wear.

Definition: a metal category badge featuring a five-point gold star set between two open wings, with rear clamp fittings for secure attachment. This item is suitable for dress duty, ceremonial use, and collectors of military surplus or tactical gear.

Main features

Well-made and practical, the badge combines a clear emblematic design with durable materials and easy attachment options.

- **Design:** A round element with a five-point gold star between two open wings.
- **Material:** Gold-toned metal construction for long-lasting appearance.
- **Sizes available:** Large for jacket: 65 mm x 16 mm; Reduced for shirt: 40 mm x 10 mm.
- **Attachment:** Rear clamp fittings provide secure, removable fastening.
- **Versatility:** Works for formal dress, display, or collection within military surplus and tactical gear ranges.
- **Limited stock:** Produced in limited quantities due to demand.

How to use / When it’s useful

Use the large size on jackets and uniforms and the smaller size on shirts as required by dress regulations or personal preference. Quick answer: choose the jacket size (65 mm x 16 mm) for outerwear and the shirt size (40 mm x 10 mm) for lighter garments.

Attach the badge by aligning the rear clamps and pressing gently until secure; remove by opening the clamps. In most cases, the clamp fittings hold firmly without damaging fabric when used carefully.

Care and notes

Keep the badge clean and handle the clamps gently to maintain appearance and function.

- Store in a dry place to avoid tarnishing over time.
- Wipe with a soft cloth; avoid abrasive cleaners that could scratch the finish.
- Do not force the clamps; open and close gently to protect the badge and fabric.

FAQ

Q: What sizes are available?

A: The badge comes in two sizes: large for jacket 65 mm x 16 mm and reduced for shirt 40 mm x 10 mm. Select the size from the dropdown menu when ordering.

Q: How does the badge attach to clothing?

A: It uses rear clamp fittings that clip onto fabric. They are designed for secure hold and straightforward removal when needed.

Q: What material is the badge made of?

A: The badge is made from gold-toned metal, chosen for durability and an elegant appearance without claiming any specific plating or certification.

Q: Can the badge be customized?

A: Currently the badge is offered only in the standard design and the two listed sizes. Customization is not available at this time.

Q: How long does delivery take?

A: Shipping times depend on stock levels and destination. Orders are generally dispatched within a few business days, subject to availability.

Q: Is this item suitable for collectors or for duty wear?

A: Yes. The badge is suitable for dress duty, ceremonial use, and collectors of military surplus, tactical and duty equipment. Check unit or service regulations before wearing on active uniform.

Tip: Choose the correct size (65 mm x 16 mm for jackets or 40 mm x 10 mm for shirts) before adding to cart, and consider browsing related items in the military surplus and tactical gear categories to complete a display or uniform set.
